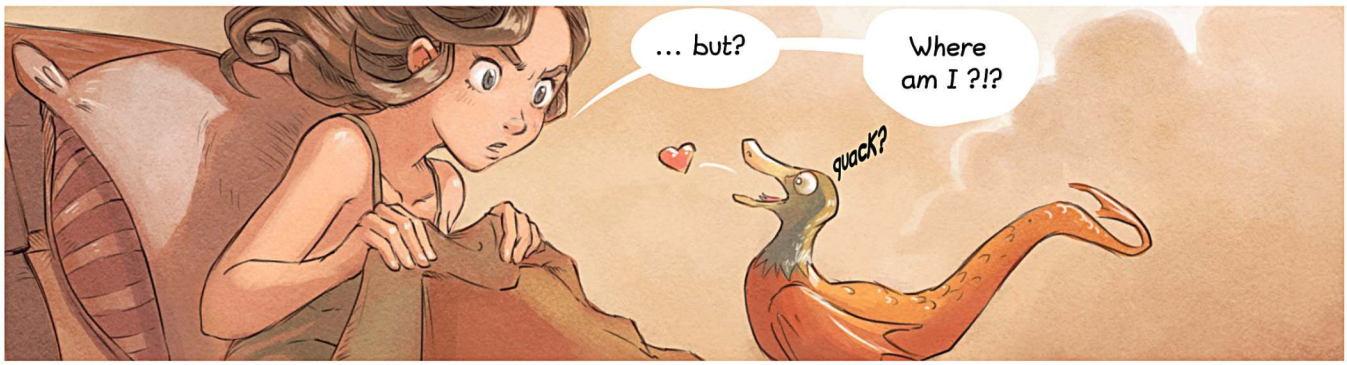
KOMONA!
The Potion Contest!
I must've... must've accidentally fallen asleep!



... but?

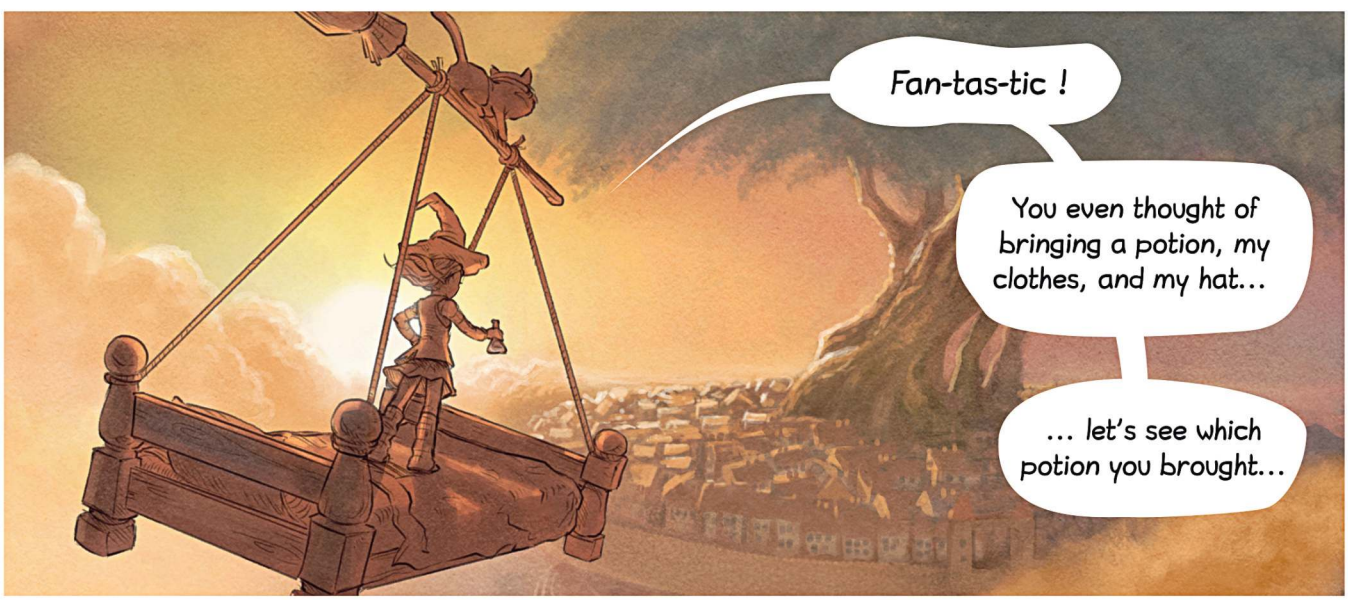
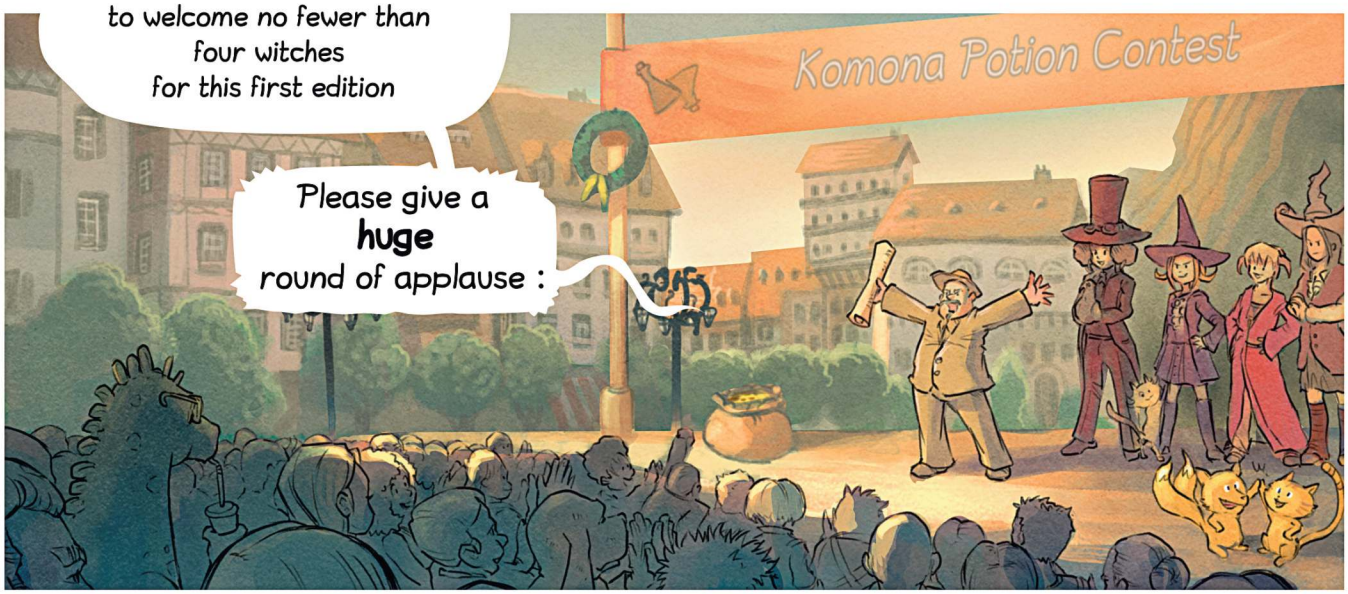
Carrot!
You're so cute to have thought of bringing me to the Contest!



Fan-tas-tic !
You even thought of bringing a potion, my clothes, and my hat...
... let's see which potion you brought...

WHAT ?!!

As Mayor of Komona, I declare the potion contest... Open!



Our town is delighted to welcome no fewer than four witches for this first edition
Please give a **huge** round of applause :
Komona Potion Contest

All the way from the great Technologist's Union, it's an honor to welcome the ravishing and ingenious
Coriander !
... not to forget our local girl, Komona's very own witch
Saffron !
... Our third participant comes to us from the lands of the setting moons,
Shichimi !
... and finally, our last participant, from the forest of Squirrel's End,
Pepper !
Let the games begin!
The vote will be by applaud-o-meter
First up, Coriander's demonstration
Ladies & Gentlemen...
... fear death no more, thanks to my ...
... Potion of
ZOMBIFICATION !
Clap-clap
Clap
Clap Clap Clap

Clap Clap
Clap Clap

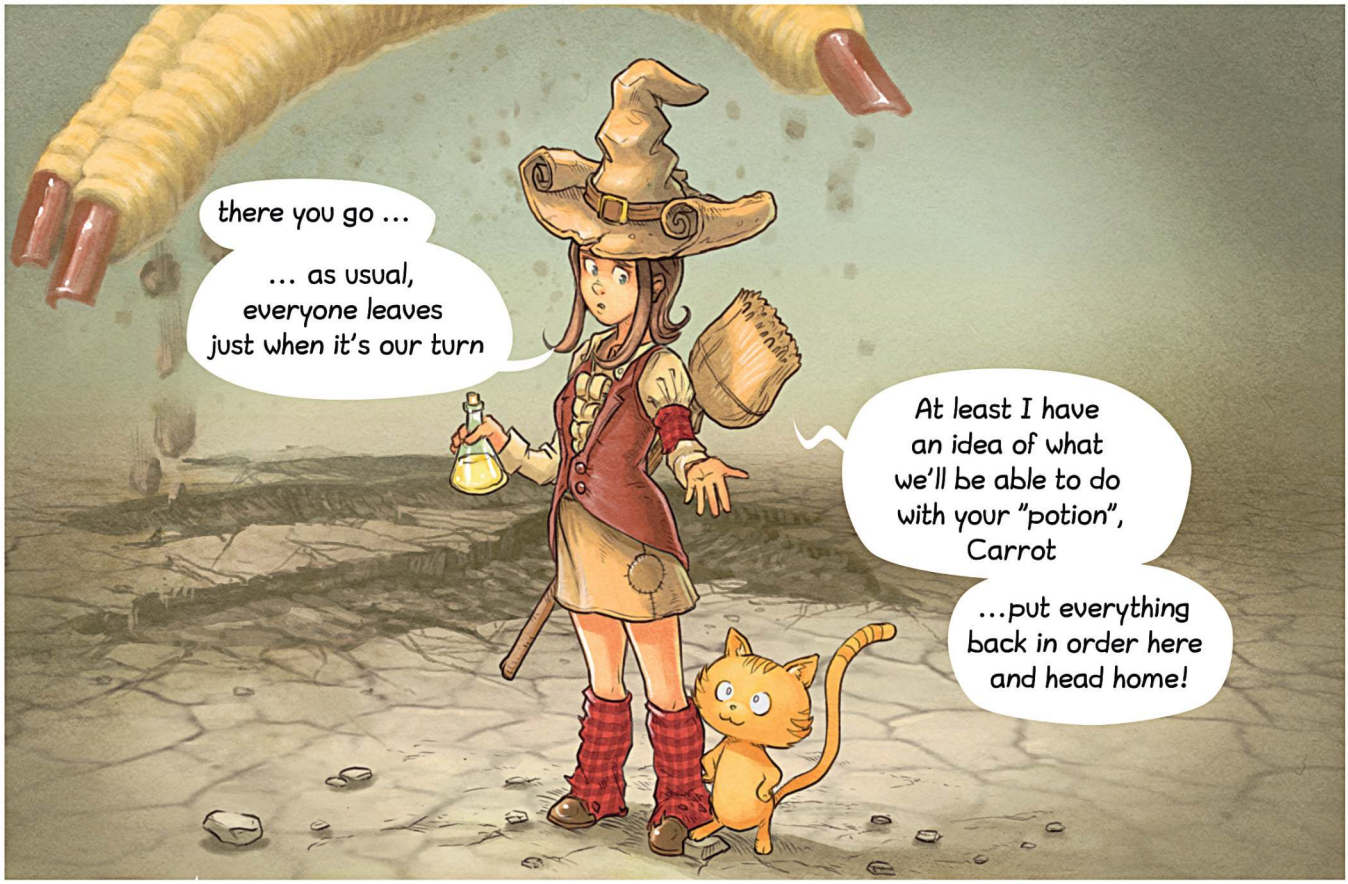
Fantastic! Incredible !
This potion could make all of Komona rich!
Your applause can't be wrong. Coriander has already been eliminated
Clap Clap Clap Clap Clap Clap Clap Clap Clap Clap Clap Clap Clap Clap

That last demonstration would now seem difficult to beat for Shichimi !
I... I did not know we had to give a demonstration
... come on Shichimi, everyone's waiting for you
NO!
I cannot, it is too dangerous
SORRY !
It seems, Ladies & Gentlemen that Shichimi forfeits...
Give me that !
... and stop pretending to be shy, you're spoiling the show
!!!
Everyone already knows that I've won the contest no matter what your potion does ...
BZZZIOO
CAREFUL!!! It's a potion for GIANT MONSTERS !

CAW-CAW-Caaaaaaaawwww
BAM!
... huh, cool !
so it's my turn now ?
... my potion will at least be worth a few laughs because ...
Run, idiot!
The competition is over !
... save yourself!



there you go ...
... as usual, everyone leaves just when it's our turn
At least I have an idea of what we'll be able to do with your "potion", Carrot
...put everything back in order here and head home!

HEY !
You
Oversized-posh-zombie-canary!
CRACK !

Wanna try one last potion? ...
... not really, huh ?

Yeah, read the label, carefully ...
... I won't think twice before pouring it all over you if you don't get out of Komona right away !
Because she saved our town when it was in peril
we award first place to Pepper for her Potion of ... ??!!
50,000 Ko
... Haha! yep ...
... huh... in fact, it's not really a potion ; it's my cat's pee sample from his last trip to the vet!
... no demo then ?...

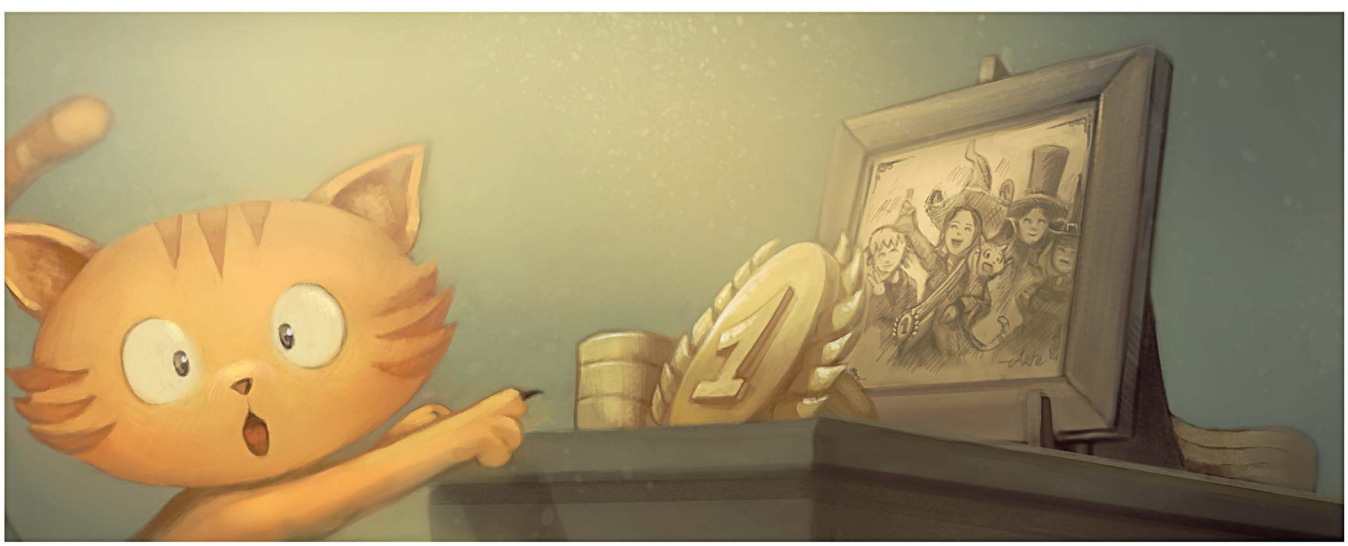
It's nearly my birthday and I don't have any friends to celebrate it with...

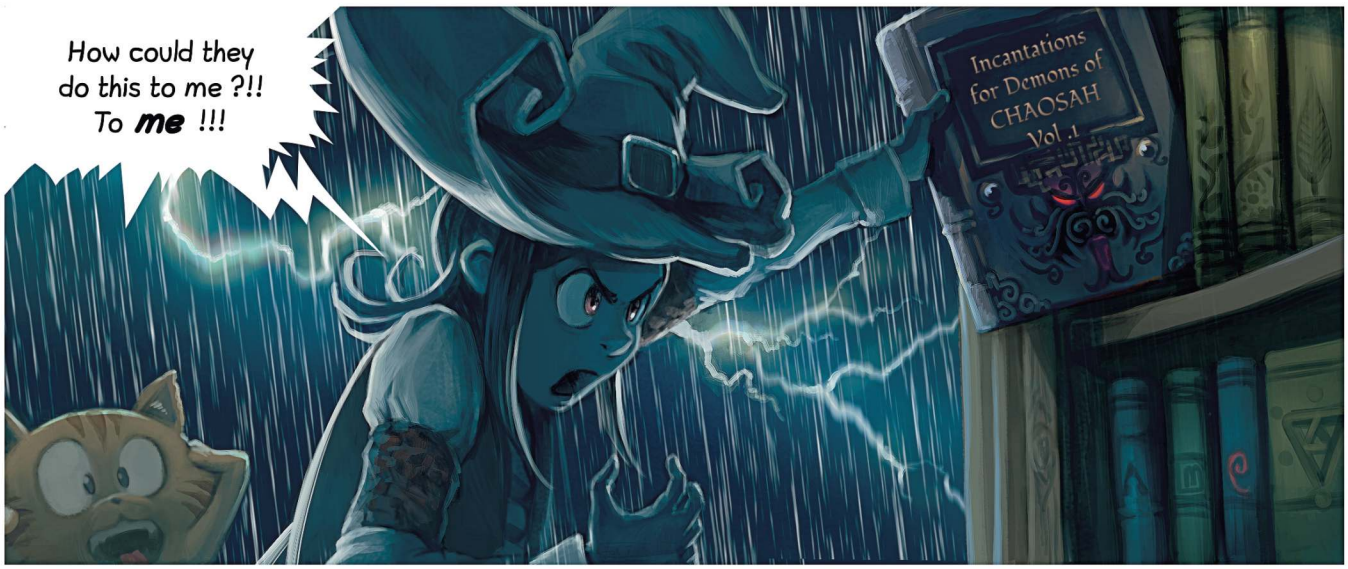


* See Episode 6: The Potion Contest

And there we go ...

... everything is ready, all we need to do now is wait for them to arrive

But I'm sure that ...
I'm certain ...
... they'll come ...



How could they do this to me ?!! To **me** !!!
Incantations for Demons of CHAOSAH Vol .1

... since I can't count on them ...

The day after the party...
Huh ? The signal of the mountains, the forest, and the clouds?
But why?
Oh no!

Sorry...
I completely forgot to turn off my "security system"

... but I'm so happy that you all came!
But other than that, how was your night?
A little light rain I believe? ...

... I'm so sorry, but no harm done, right?
I've prepared tea so we can all get our good humour back after this little mishap!

Stupid Pepper!
Now it's too late,
they all hate me...

Mee-Ow-Ow
Wooh oOf Woof !

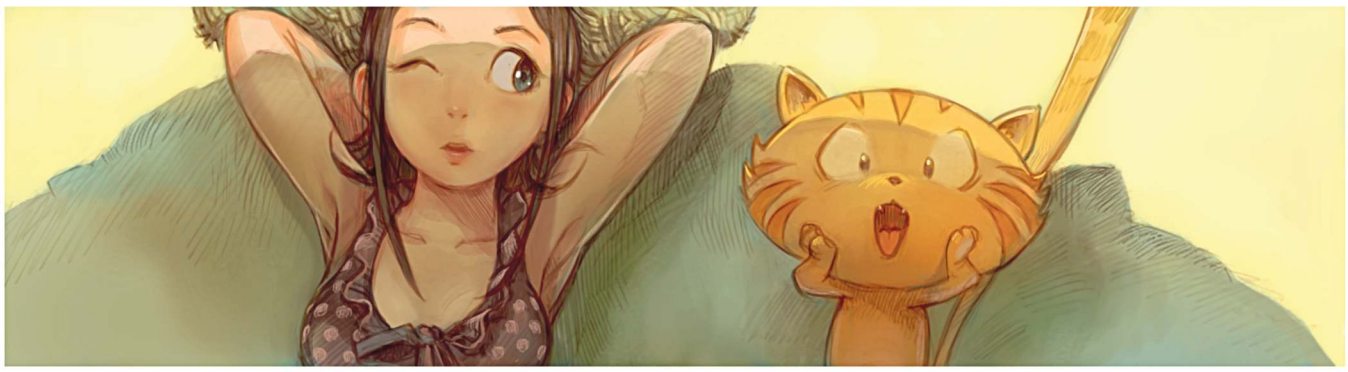
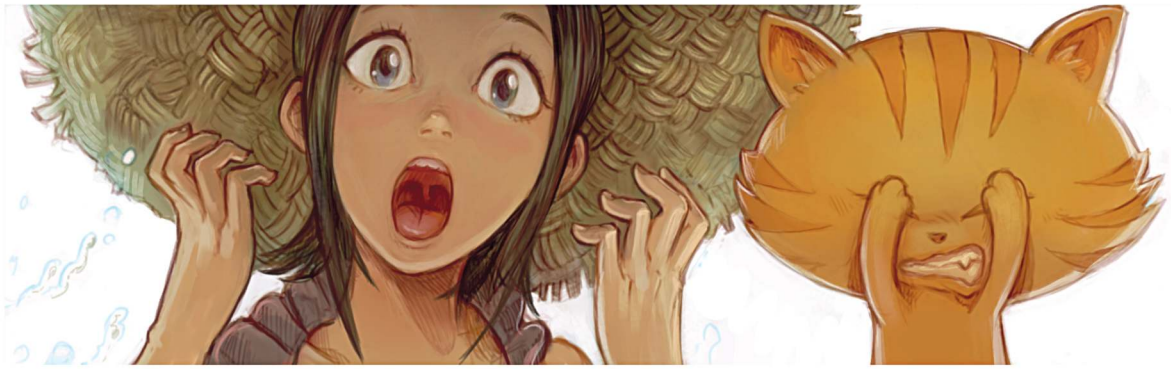
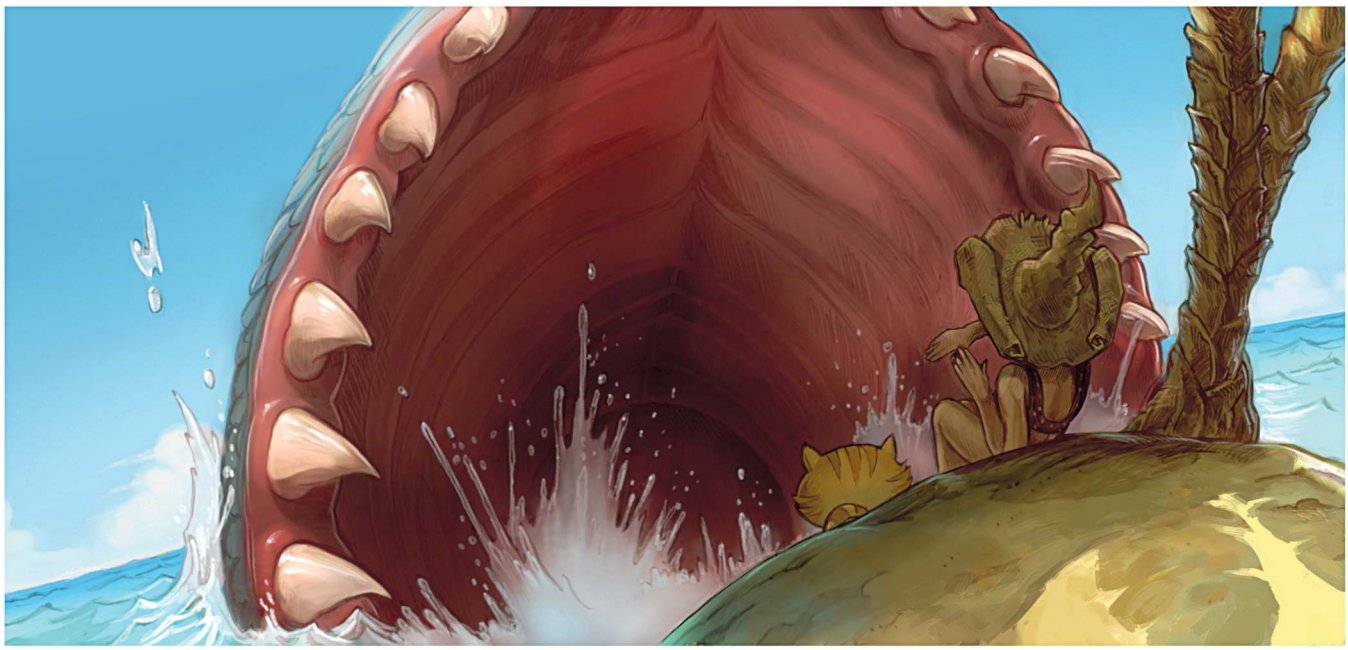
Quick!
To the laboratory!
This can be lethal!

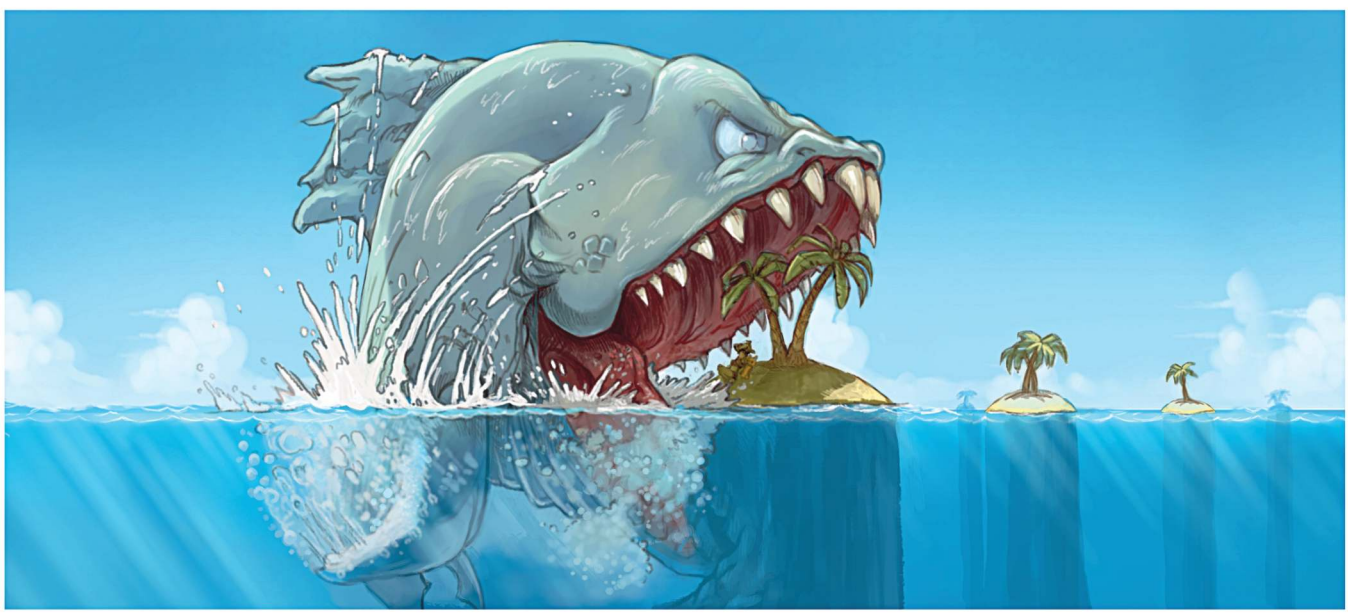
Super !
We're the best!
Yipee !
They've been cured!

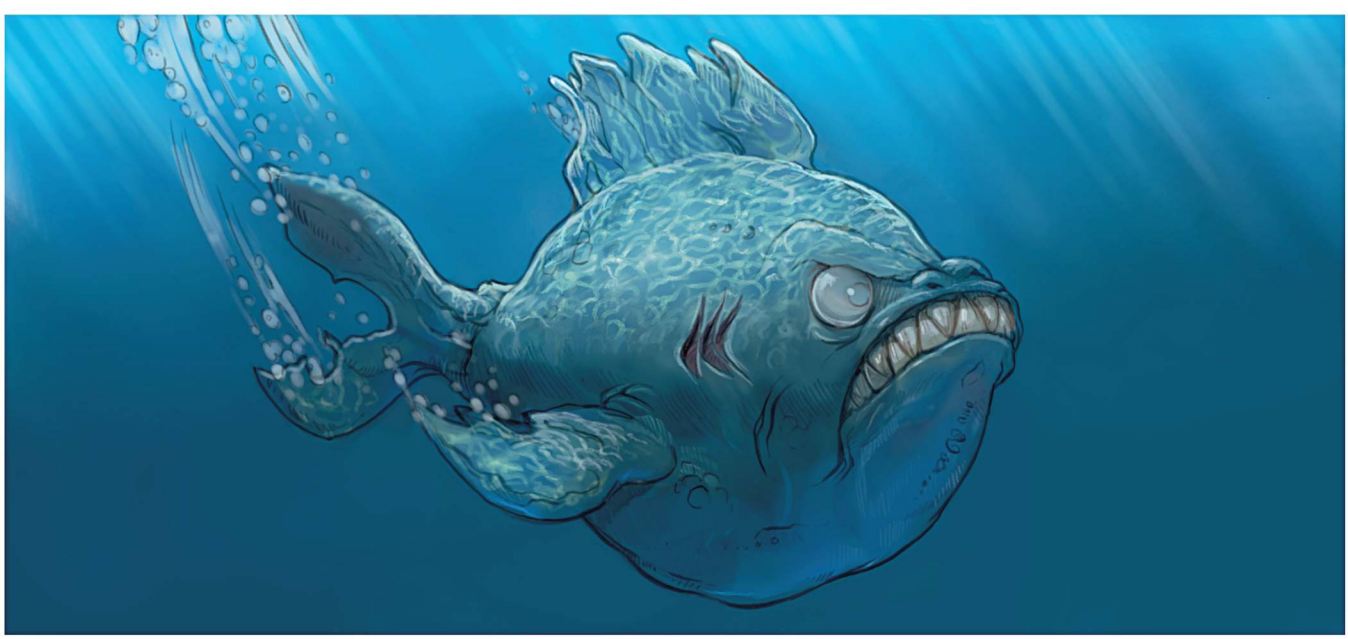
... It's still a pity that we couldn't avoid the potion's side-effects...
Don't worry; the fur and feather loss is temporary, it'll grow back quickly

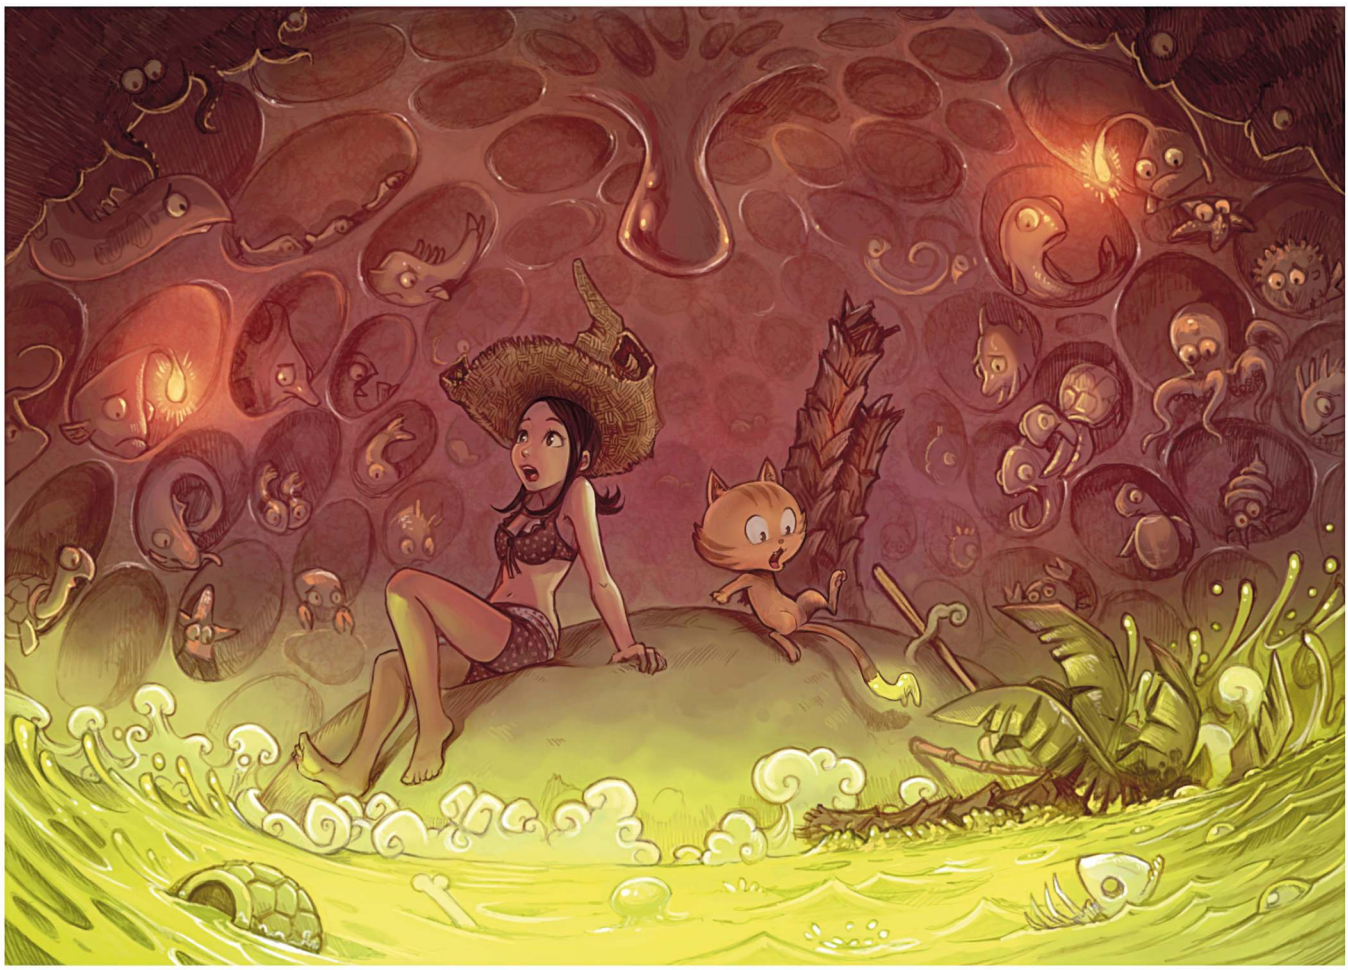


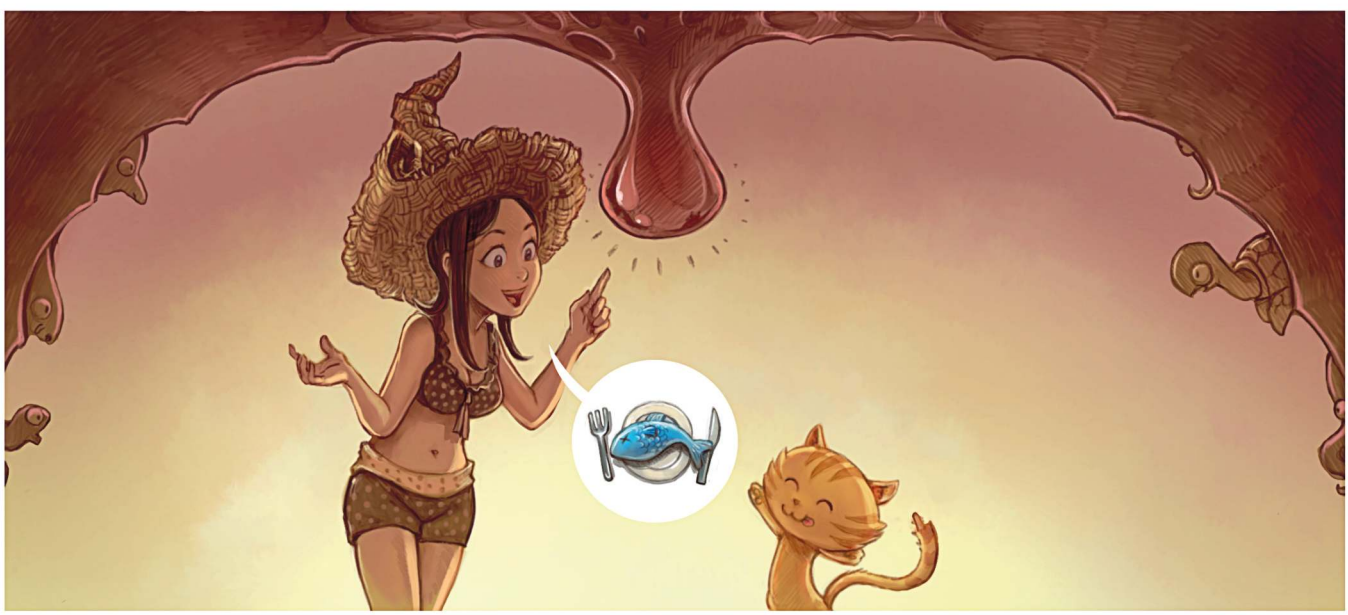


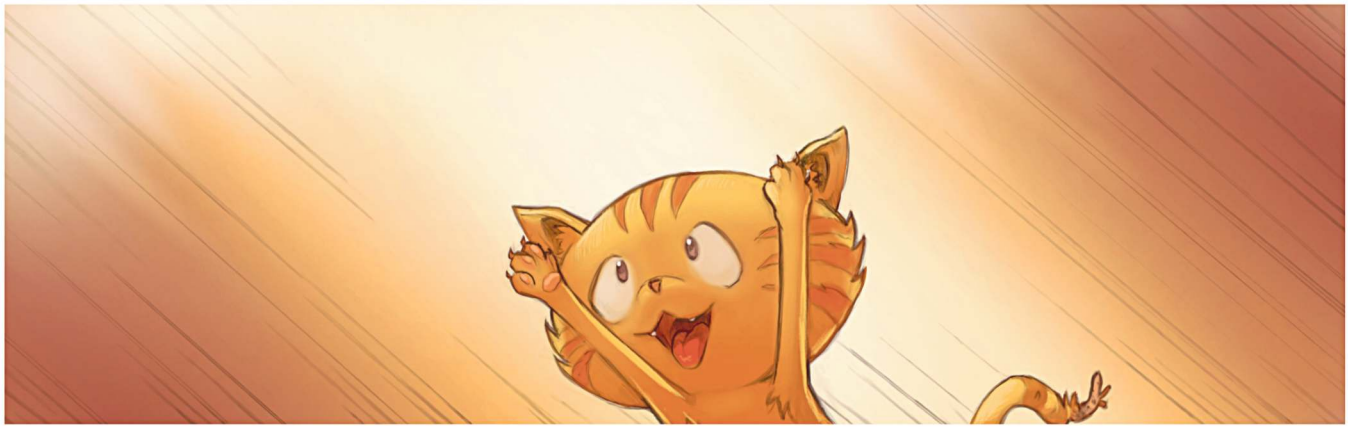


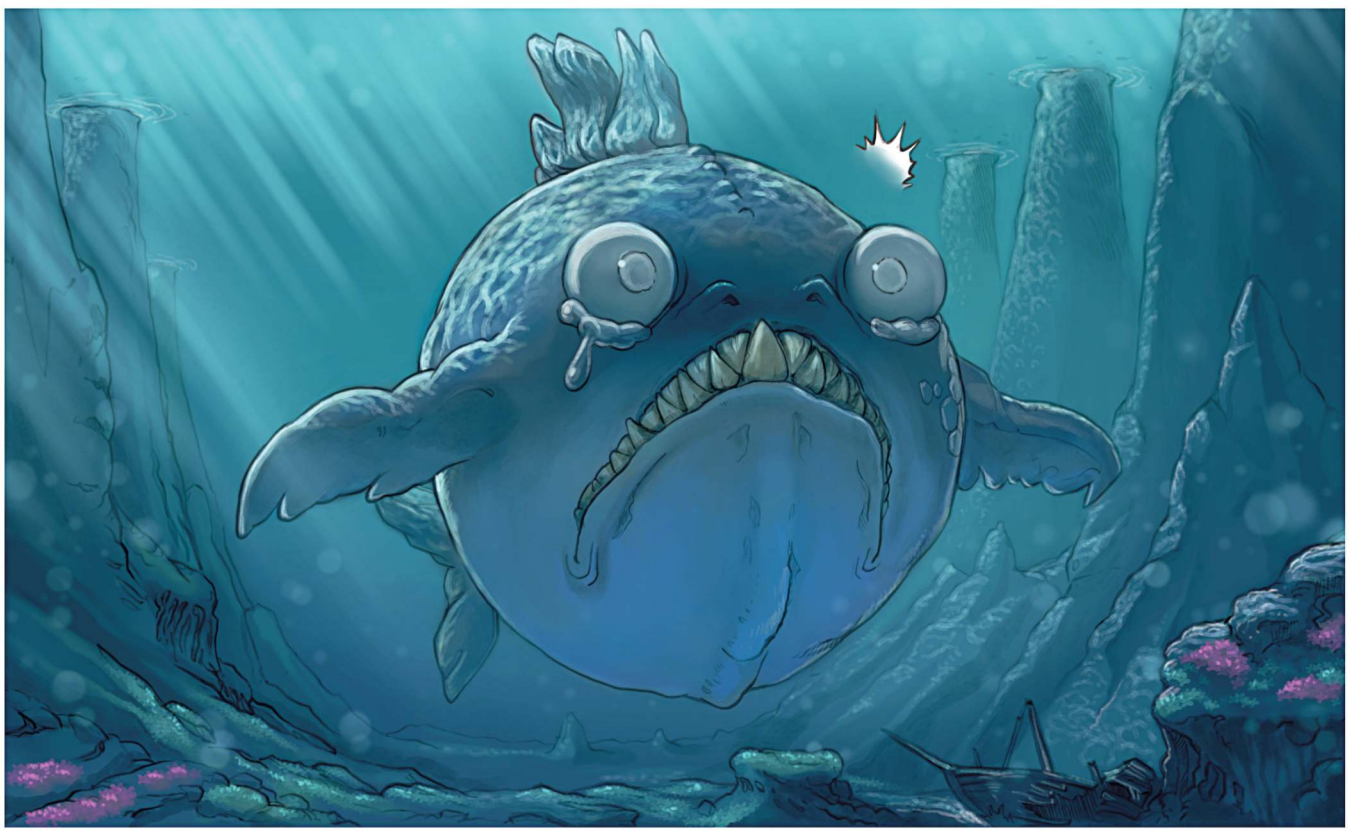


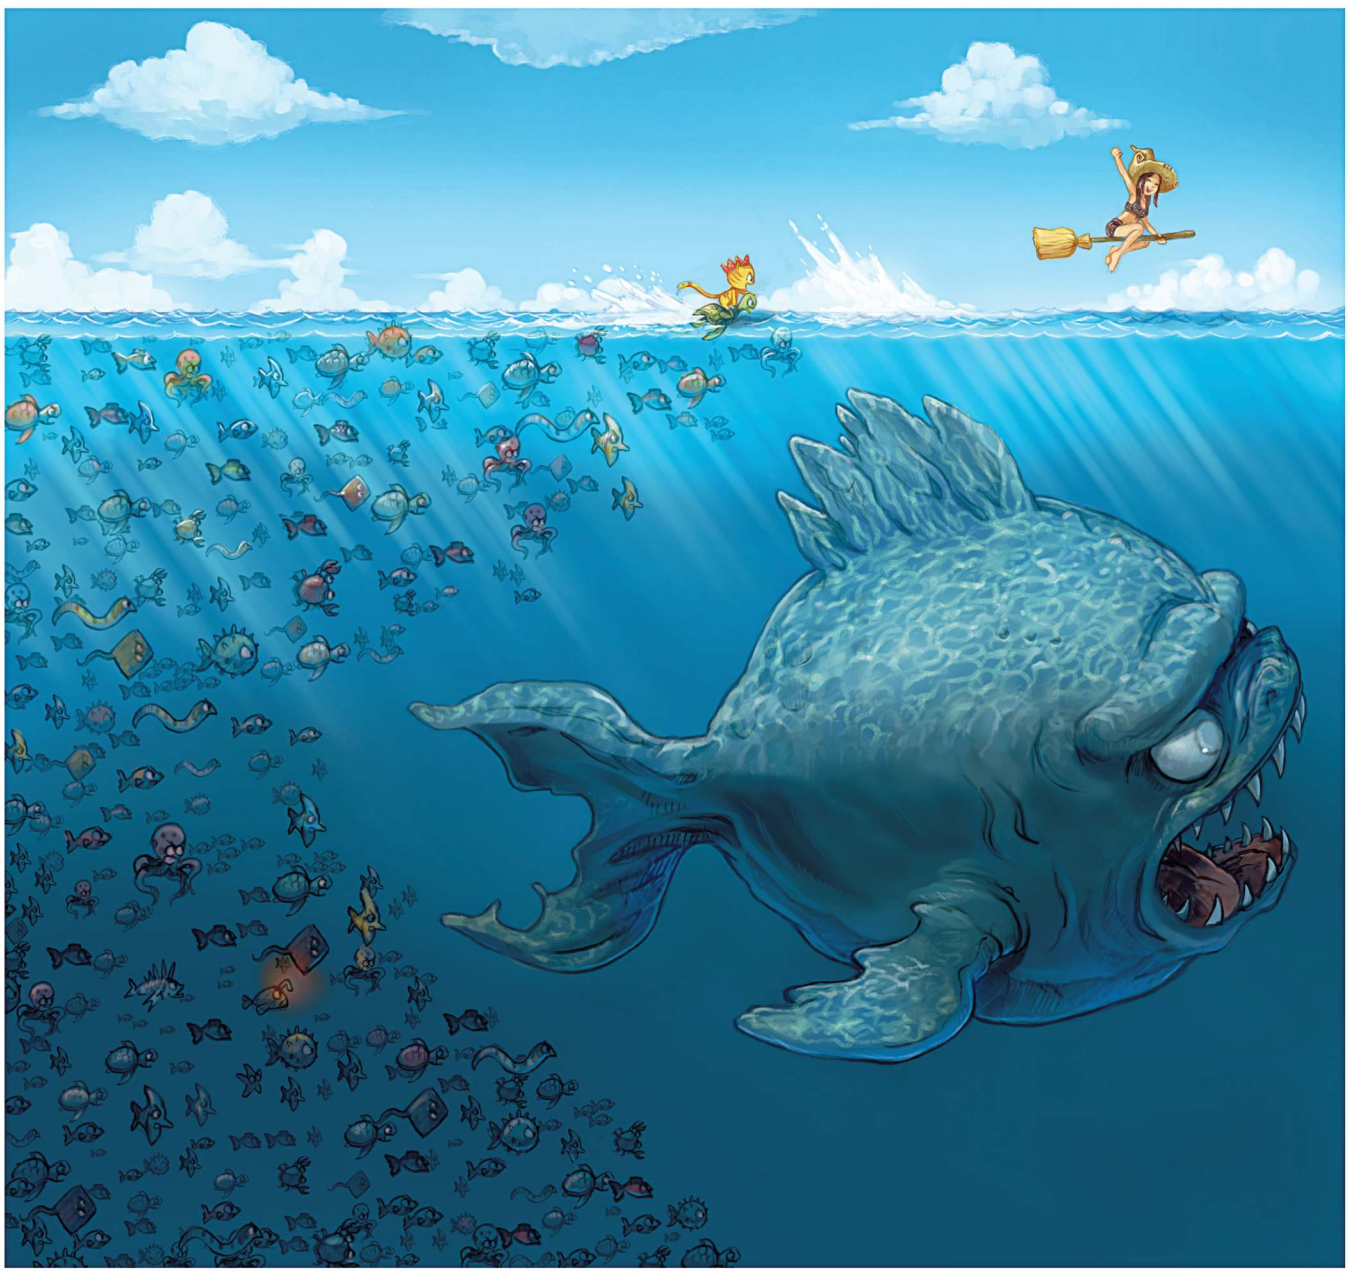


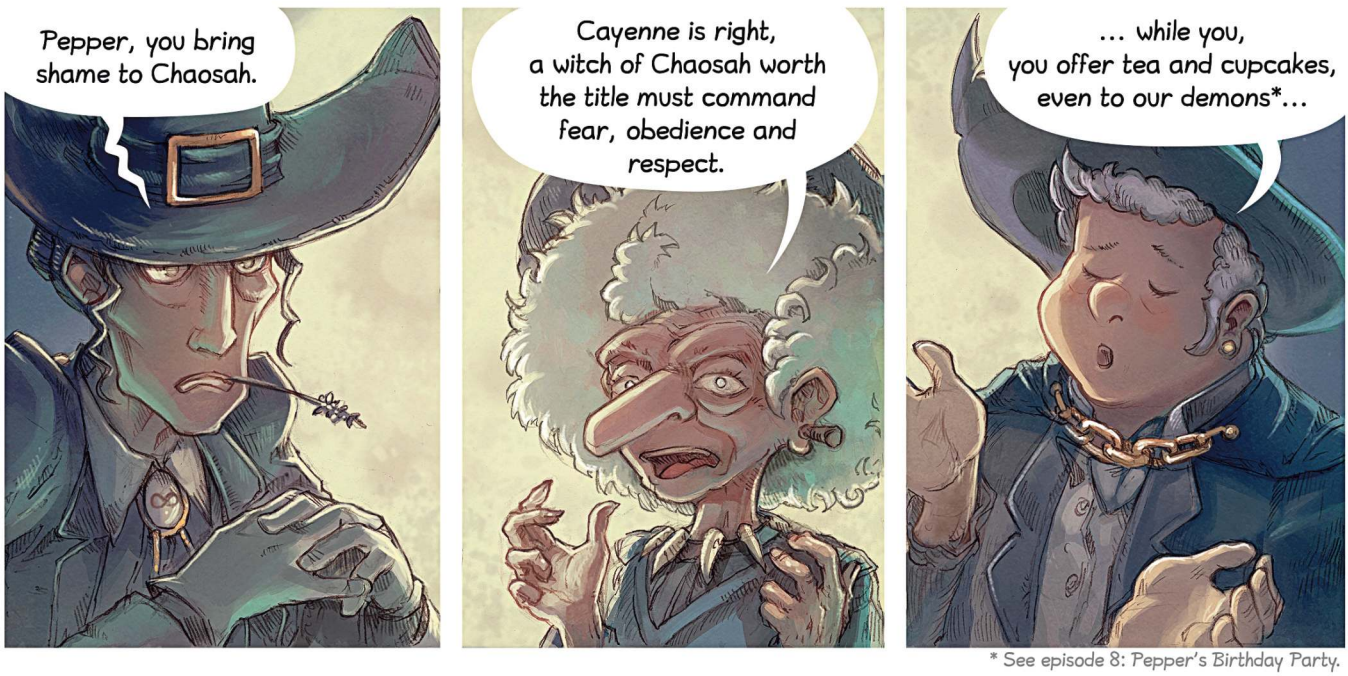










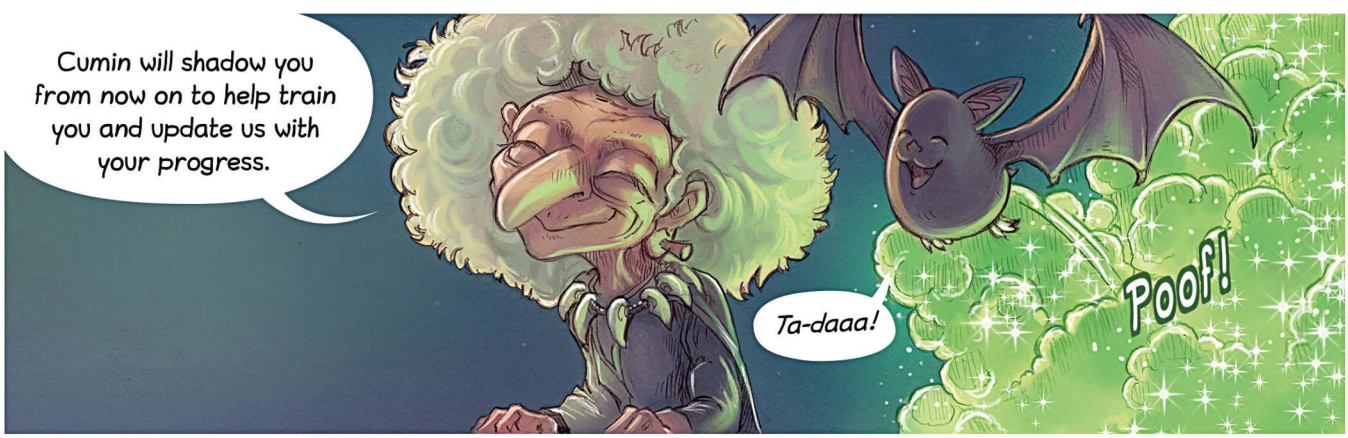


* See episode 8: Pepper's Birthday Party.

Pepper, you are certainly talented, but you are also our only successor.
It is our duty to make you a true, mean witch of Chaosah.

But... I don't want to be mean! It's ...it's contrary to everyth...
SILENCE !

... or we'll revoke all of your powers!
And you'll once more become the little idiot orphan of Squirrel's End.

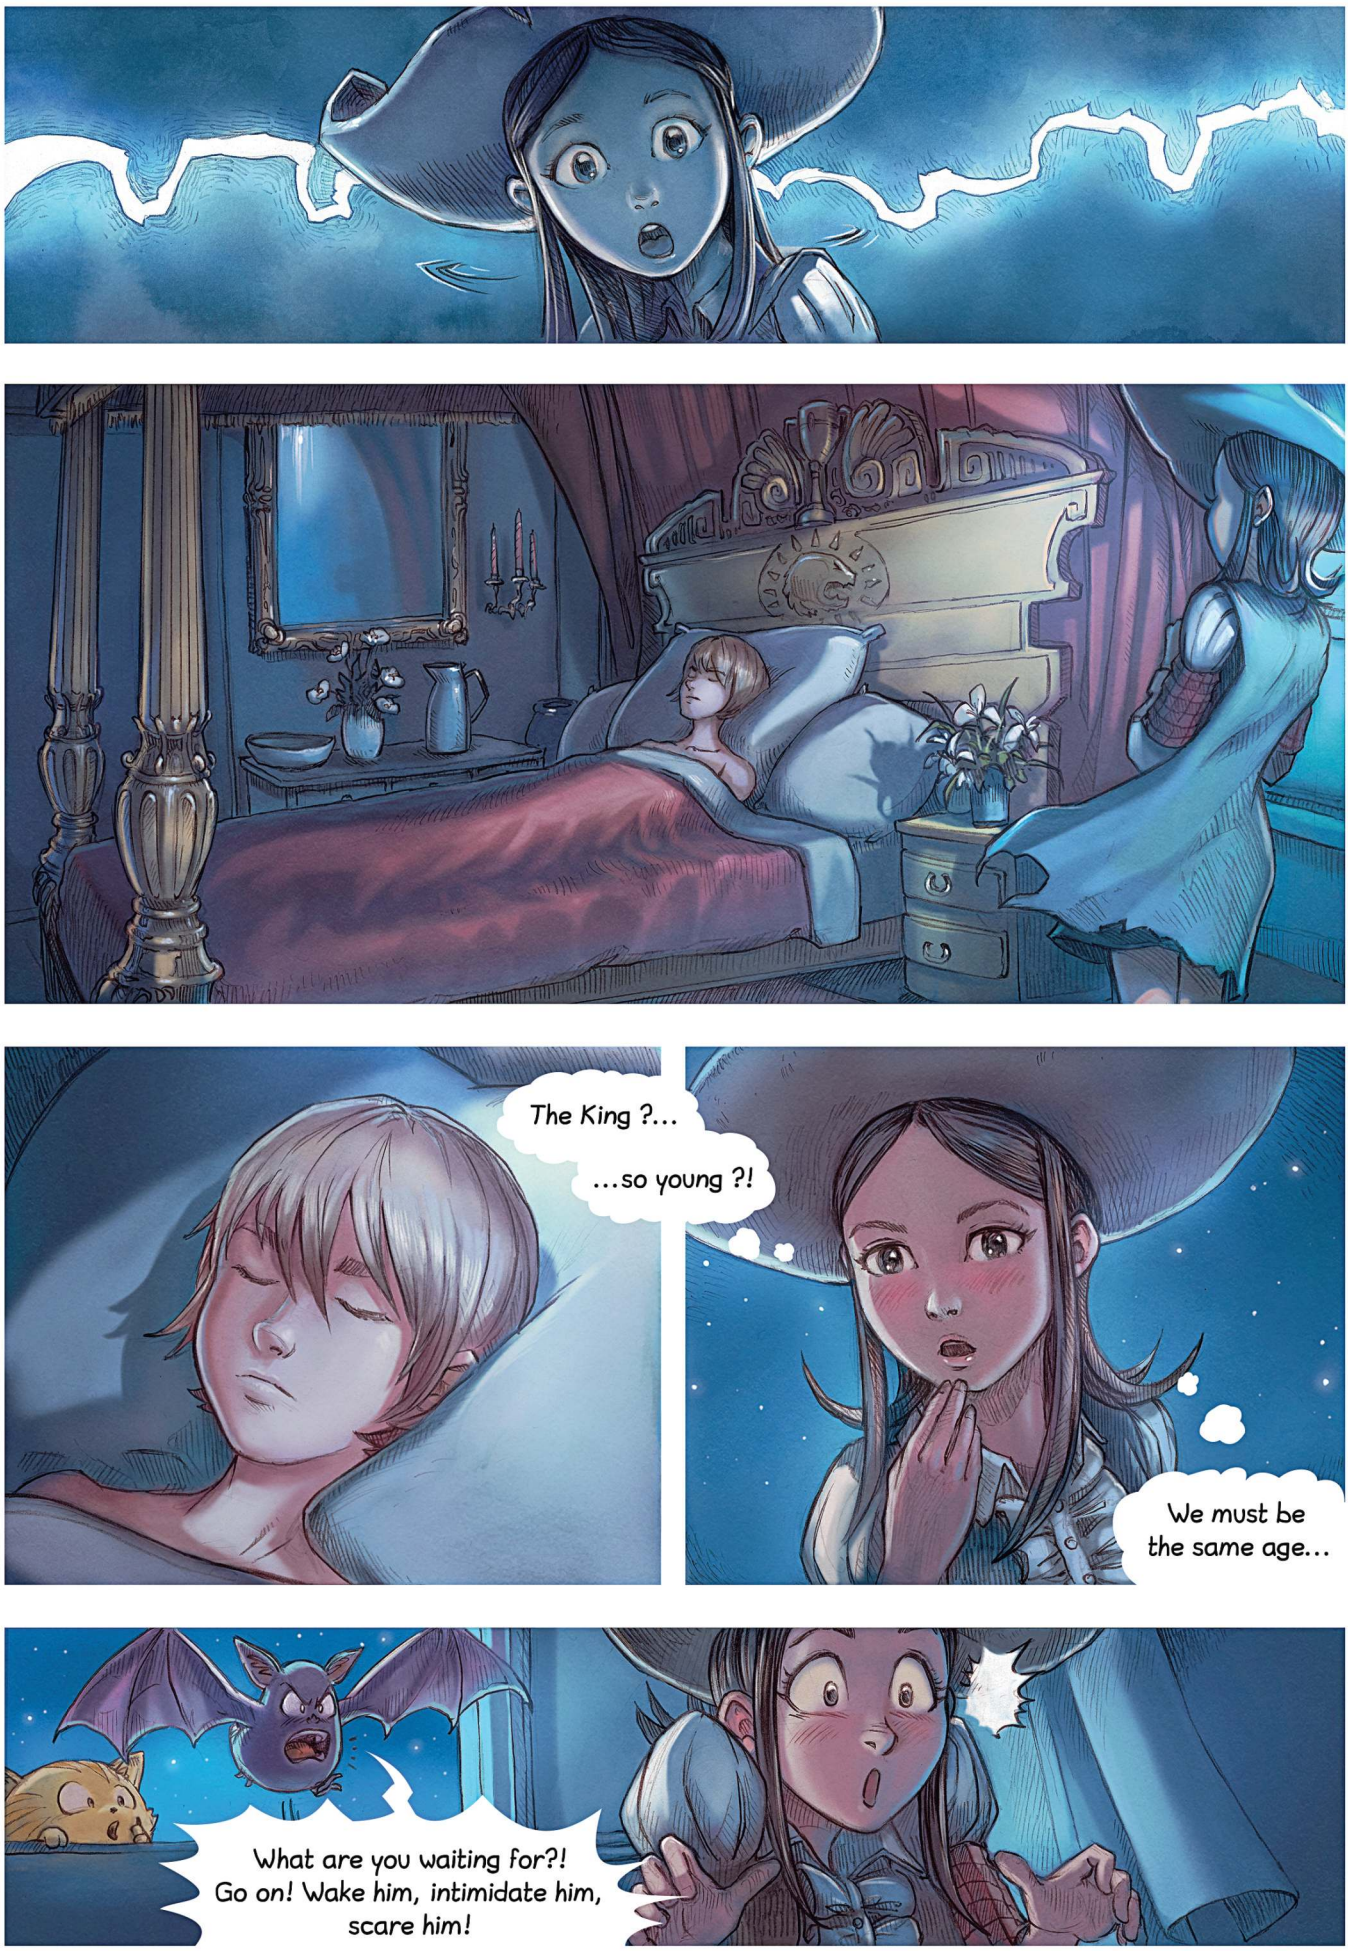


Cumin will shadow you from now on to help train you and update us with your progress.
Ta-daaa!
Poof!

The new King of Acren is too kind and gentle with his subjects. The people must fear their King.

Your first mission is to find and intimidate the monarch to better manipulate him.

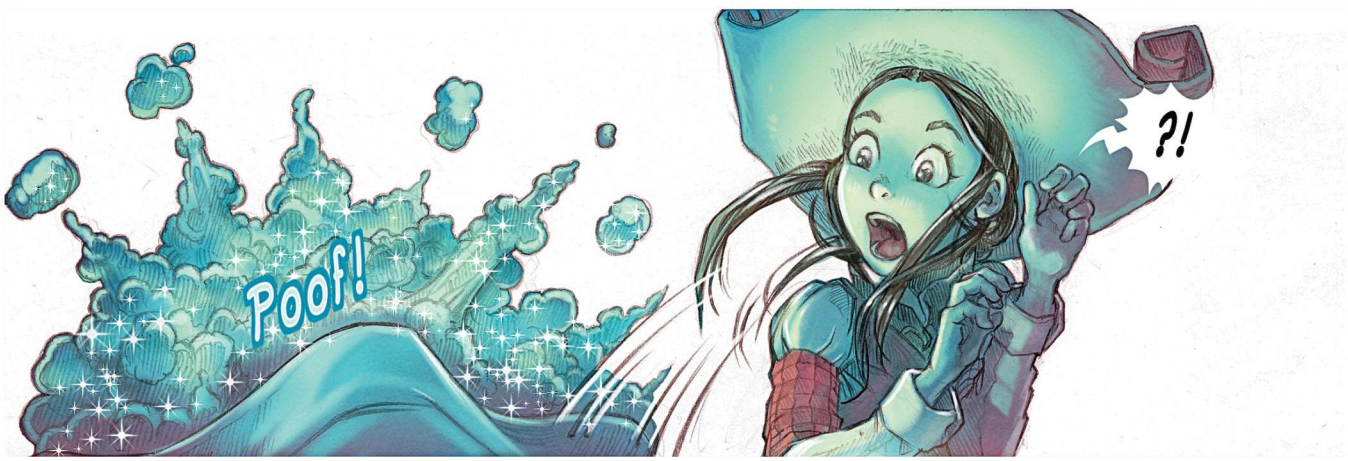
A true witch of Chaosah has influence over the powerful!



The King ?...
...so young ?!
We must be the same age...
What are you waiting for?! Go on! Wake him, intimidate him, scare him!

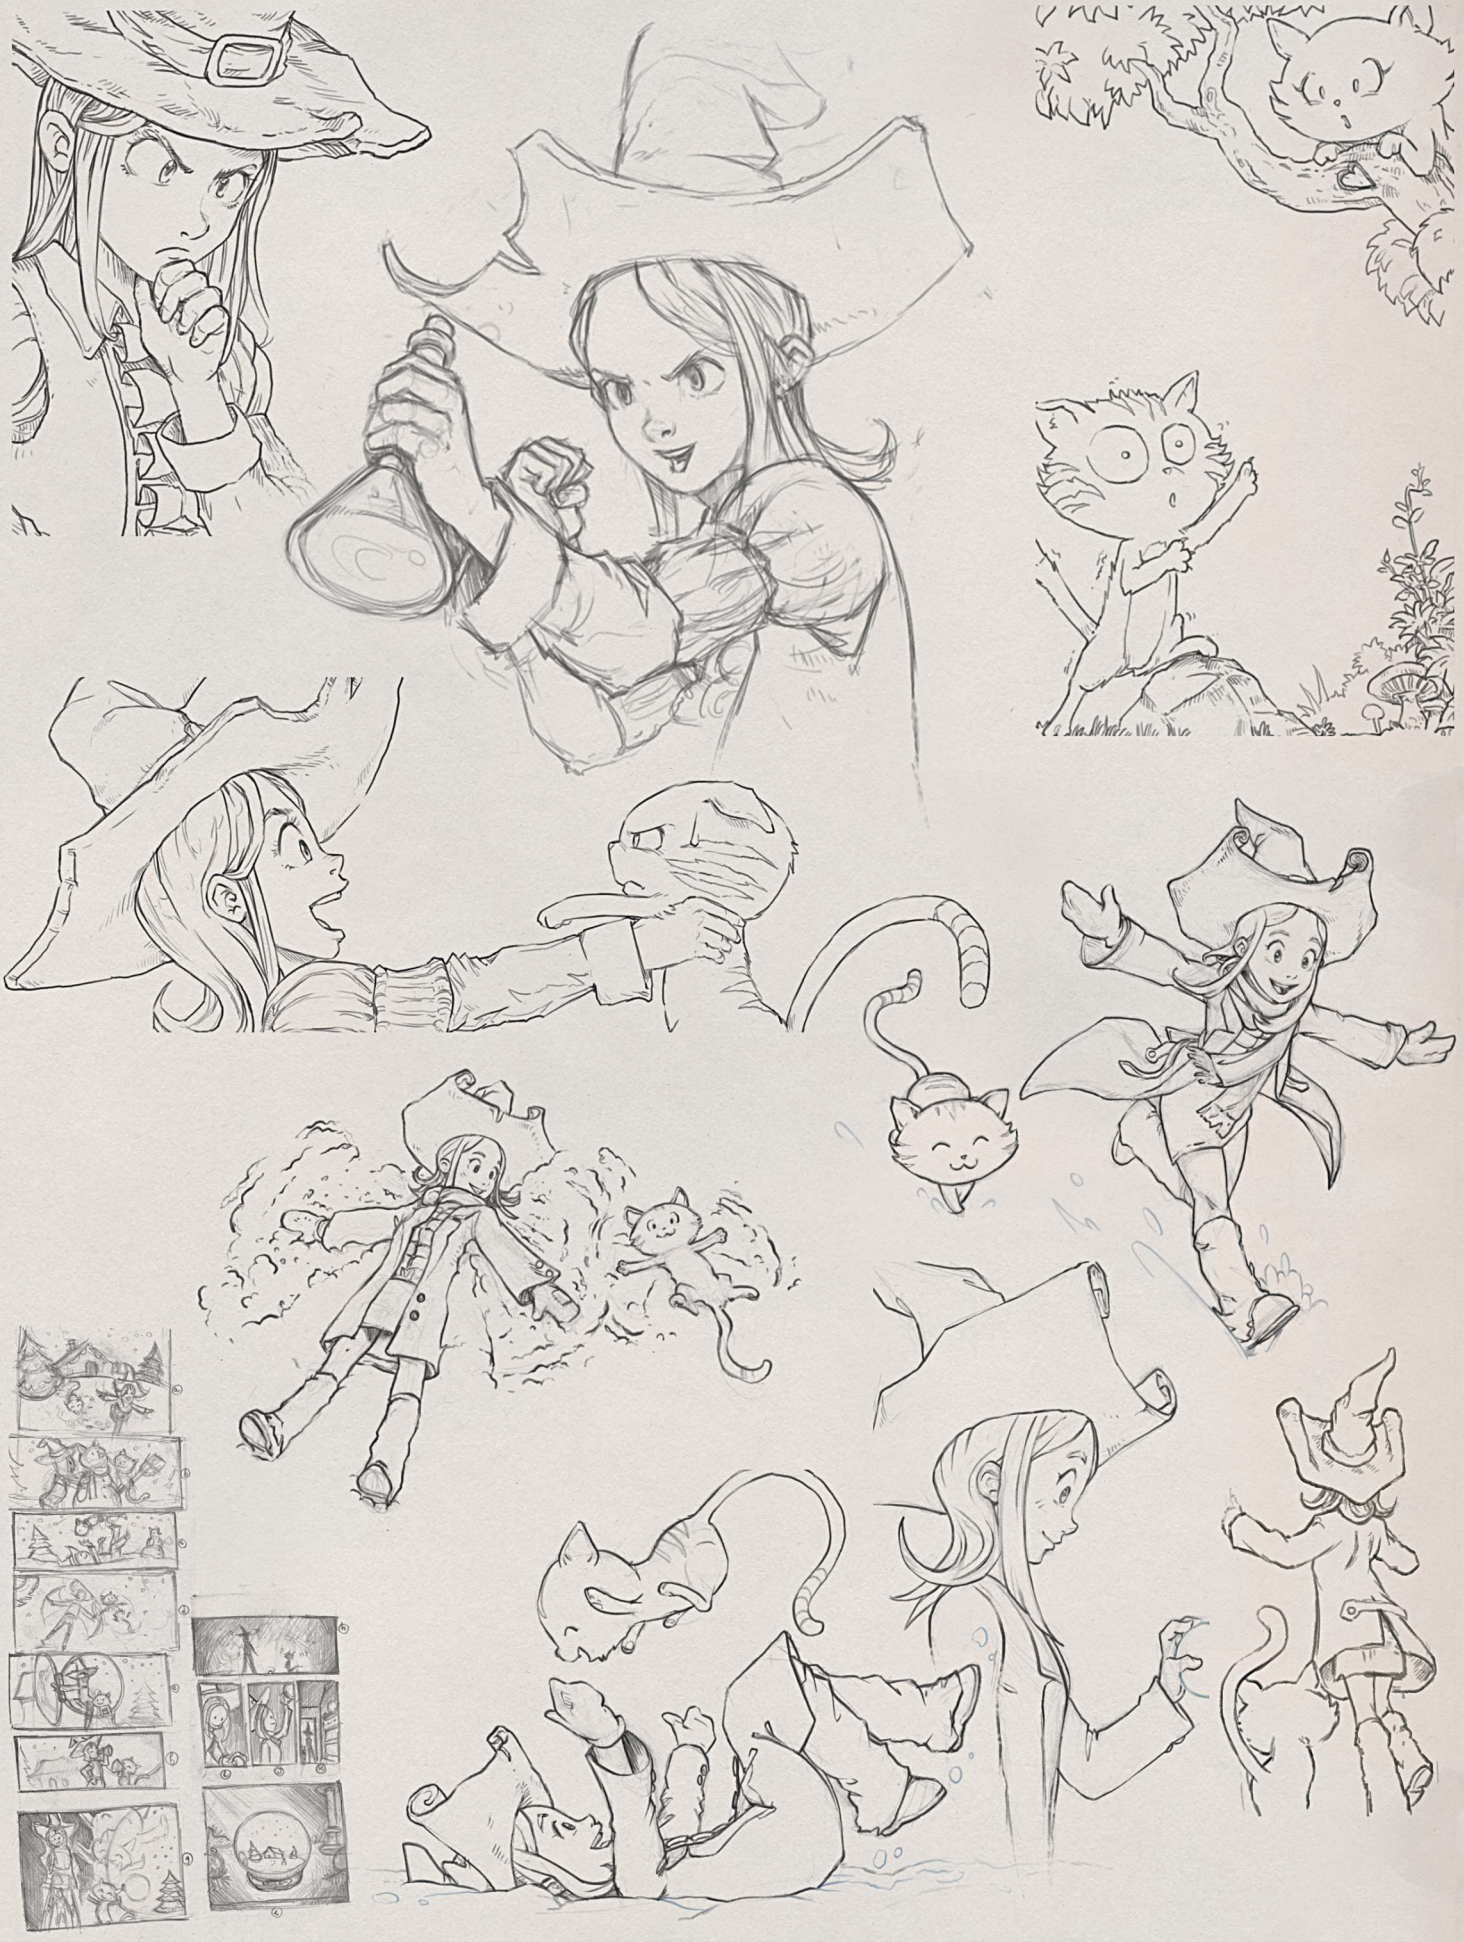
DZZZ

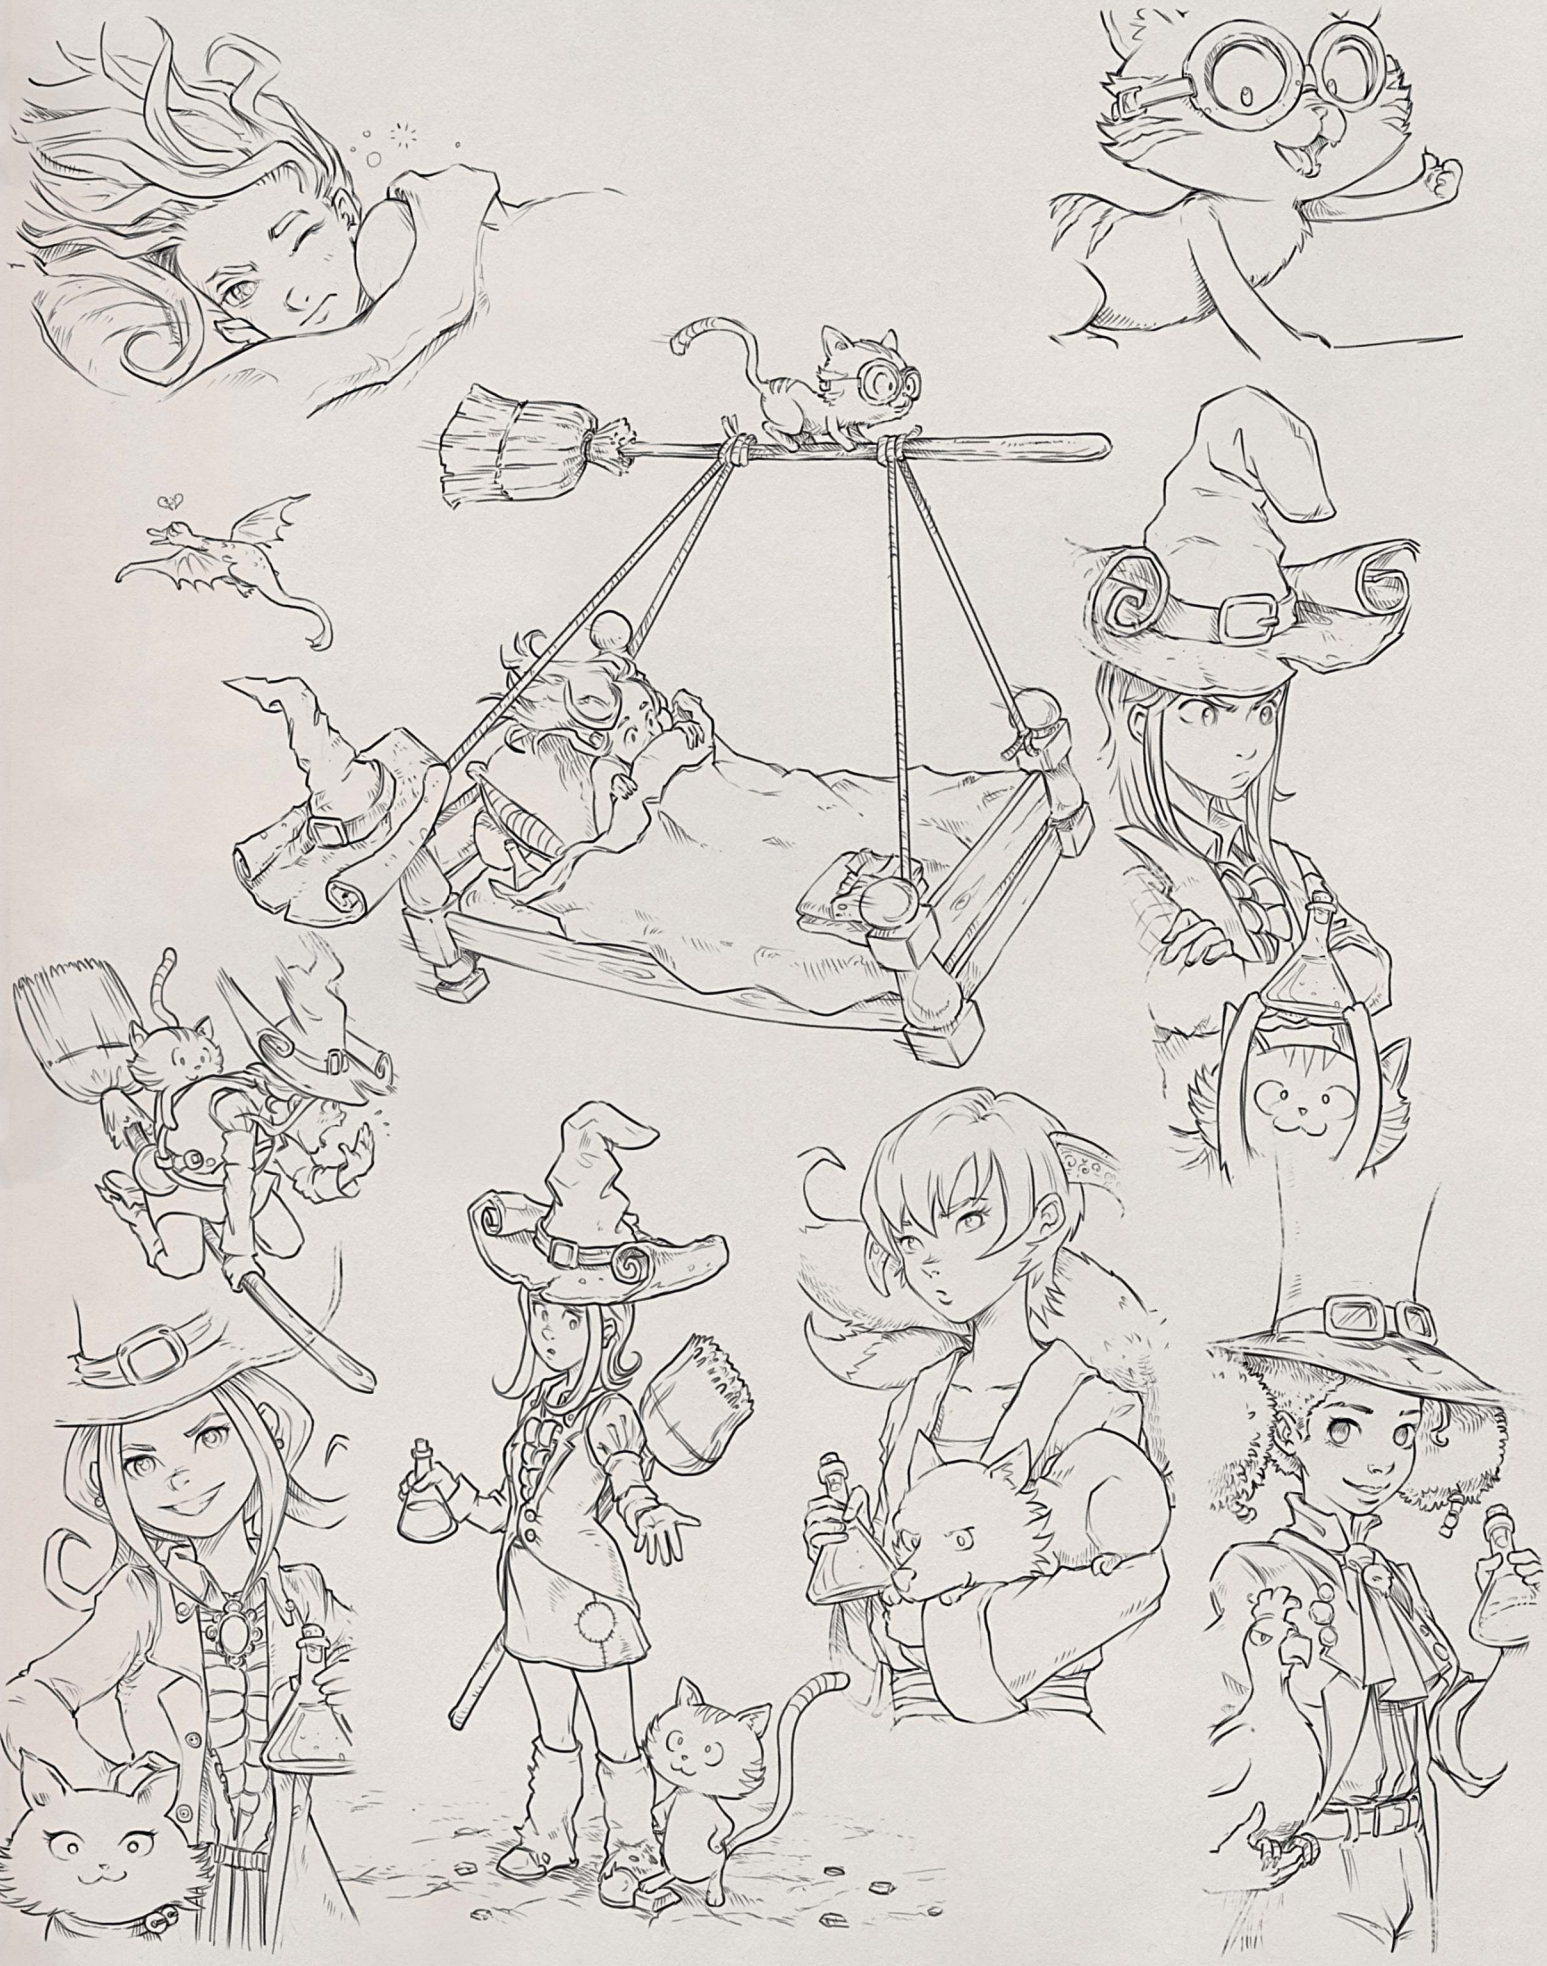
You and I, we are a little alike...
young...
alone...
...prisoners of our destinies.

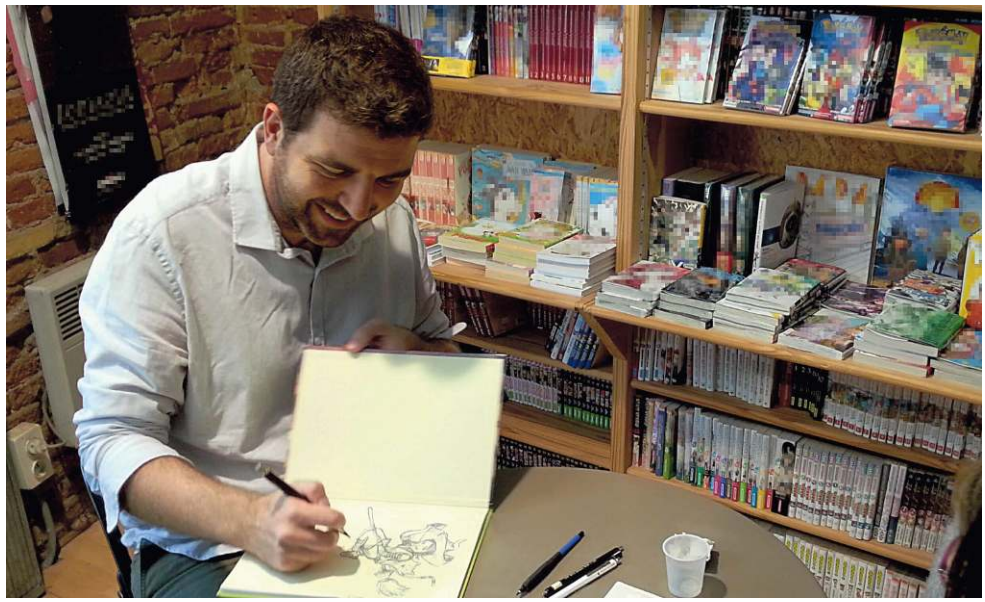


To be continued...

Sketchbook Bonus





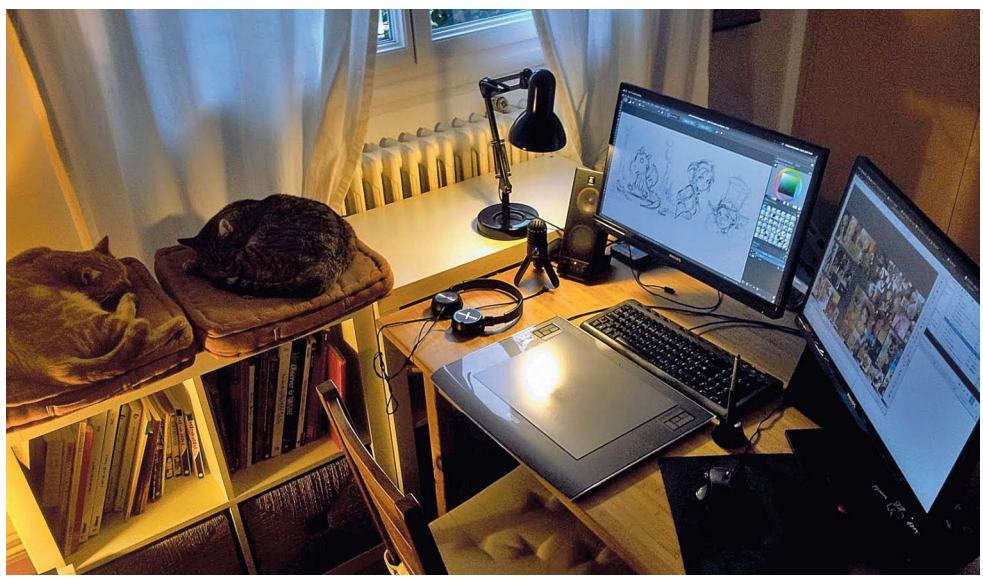


Signing session in Toulouse, France, in May 2017.

This book is a big deal for me in many ways: these are the first episodes of Pepper&Carrot, a project I started for fun on the Internet back in May, 2014 after a professional burnout. I never imagined at the time I would one day spend years on a series read by millions of people across the world and being able to combine so many of my passions: drawing, painting, storytelling, cats, computers, GNU/Linux open source culture, Internet, old school RPG video games, old manga/anime, traditional art, Japanese culture and fantasy... Transforming the webcomic into a book made 100% with free/libre and open source software was also a technical challenge... It took me years of testing and research! I hope you like the result.

Also, I want to thank the contributors of Pepper&Carrot for making all this possible: patrons of the new episodes, technical contributors, translators, developers of the software I'm using... and you, the owner of this book.

The success you've given Pepper&Carrot is beyond anything I ever imagined.



My desk in 2014 and 2015, the place where I made all the episodes of this book.

Did you know?

Pepper&Carrot is entirely free(libre), open-source and sponsored thanks to the patronage of its readers.
