... and anyone I've missed.

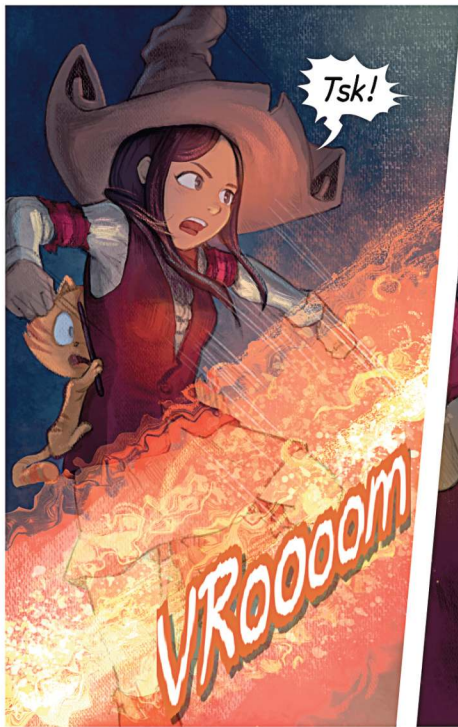

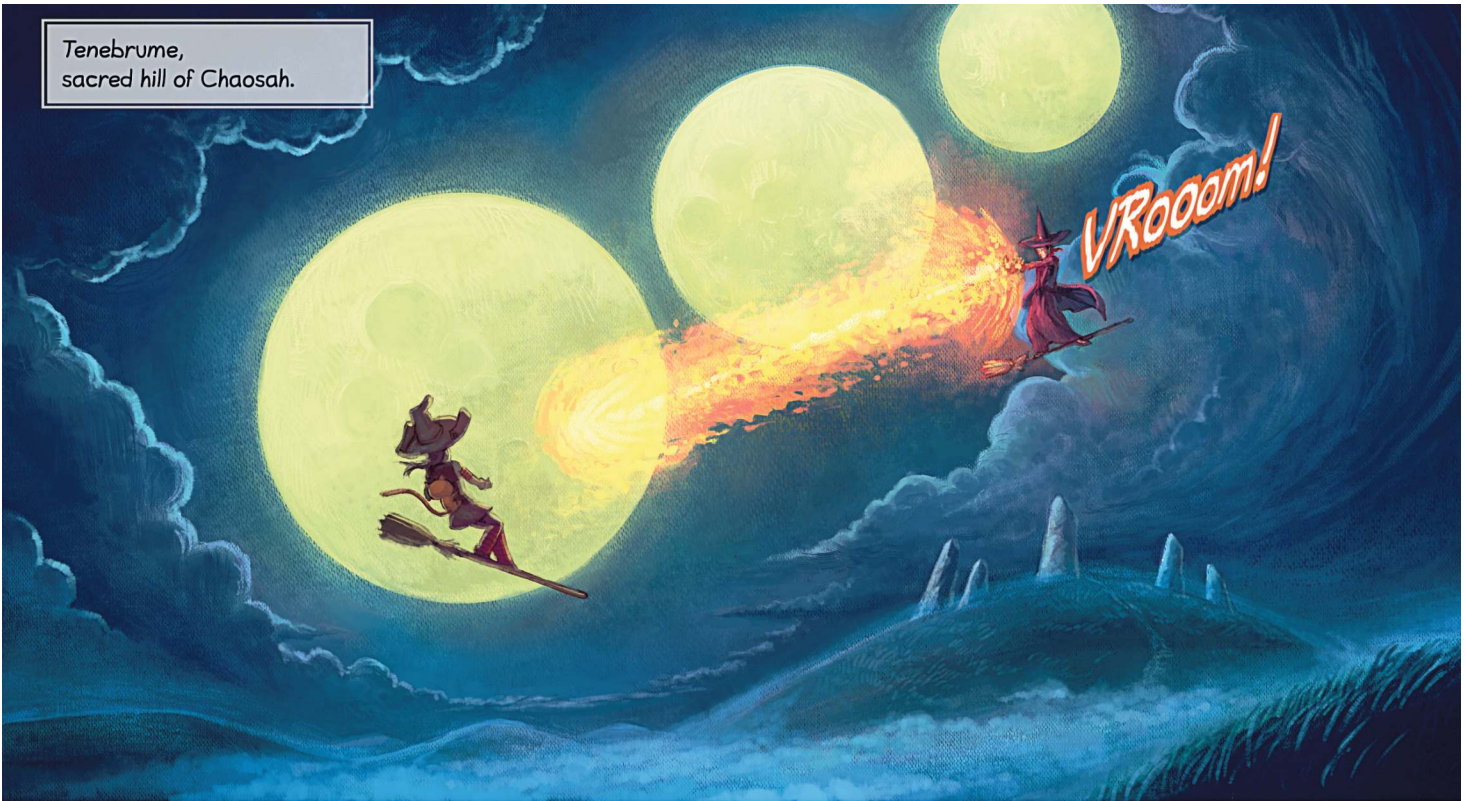

Tenebrume,
sacred hill of Chaosah.

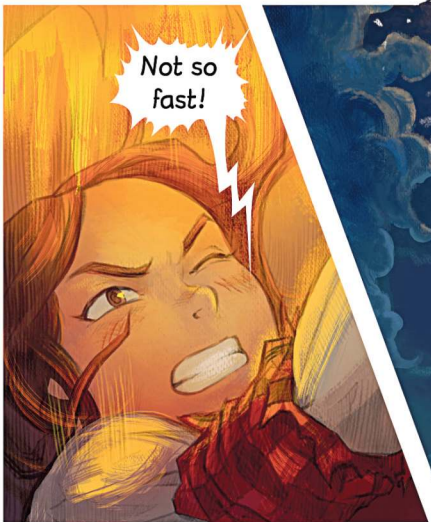

Drzzooow!

CRACK!!!

CRAACK!!!

Not so fast!

GRAVITATIONAS SHIELDUS!

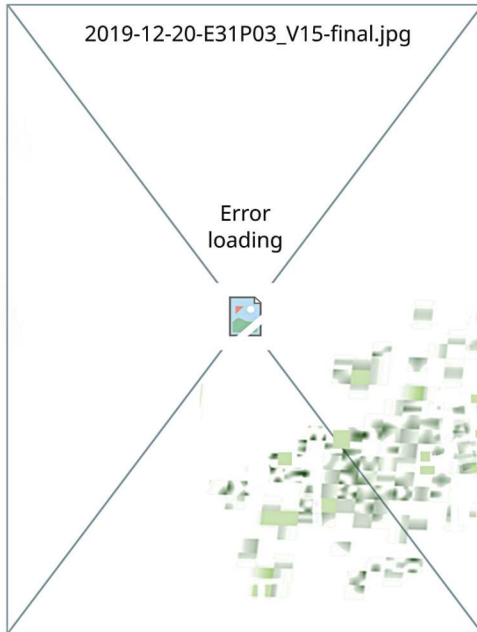

Wooooosh!!!

Tchkskkk!!

Tchkskkk!!

Tok!

Pfft...

Fleeing to a
microdimension
at your age?

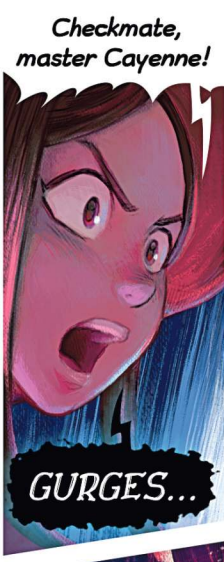

What a pathetic
defeat...

Wrong!
A wormhole!

Bzz!!

Thanks for
the exit,
Carrot!

Checkmate,
master Cayenne!

GURGES...

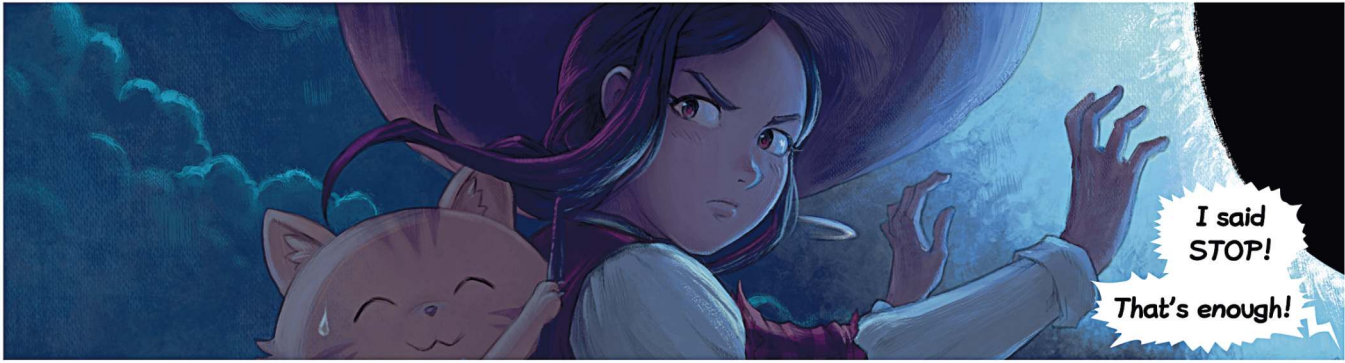

...ATER!

Swwwwwwiiiiiiippp!!!

VROOM!!!

STOP!!!

I said
STOP!
That's enough!

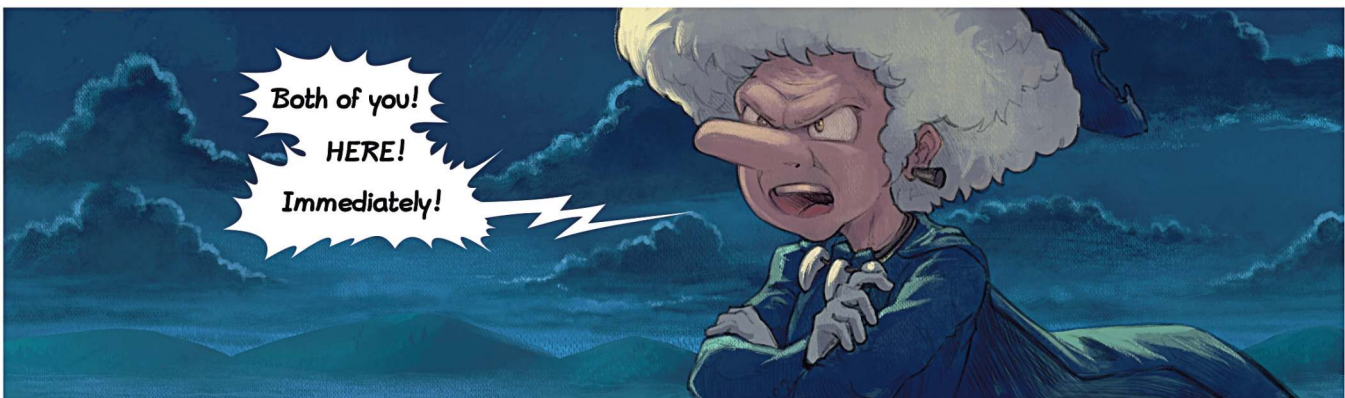

Snap!

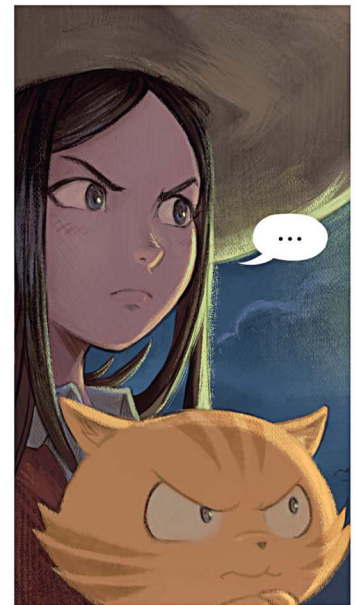

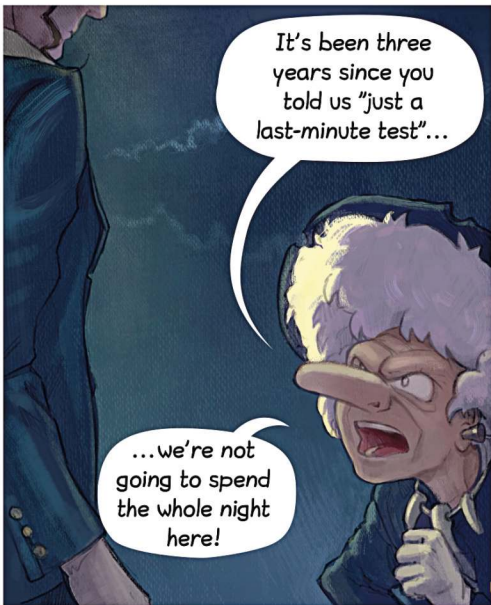

POOOOF!

TCHK!

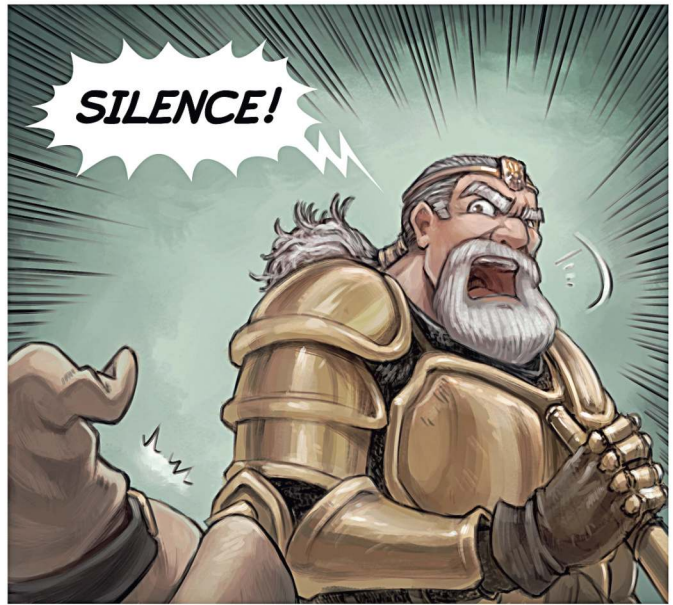

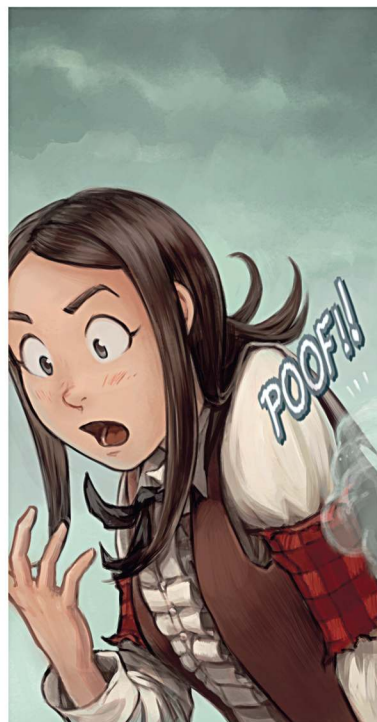

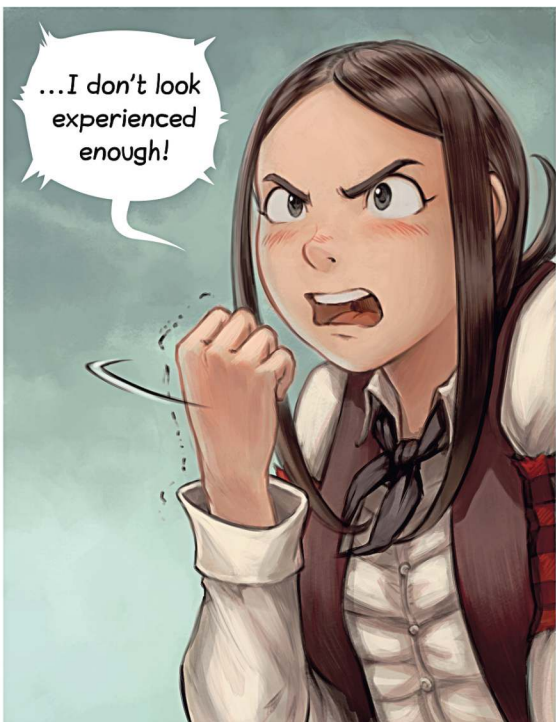

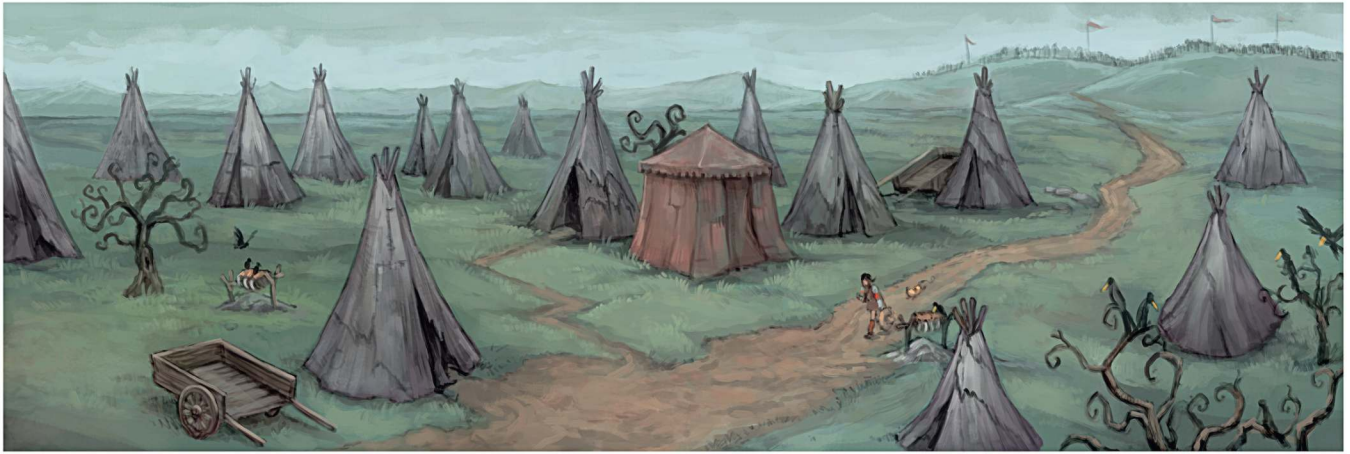

Both of you!
HERE!
Immediately!

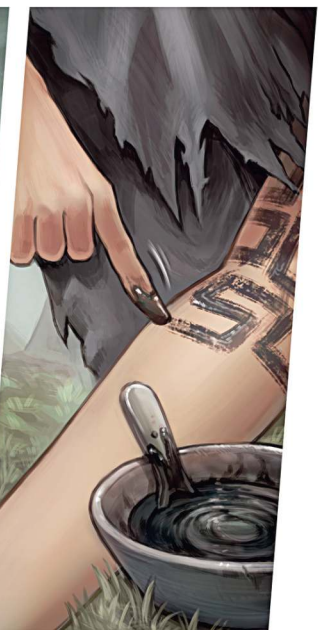

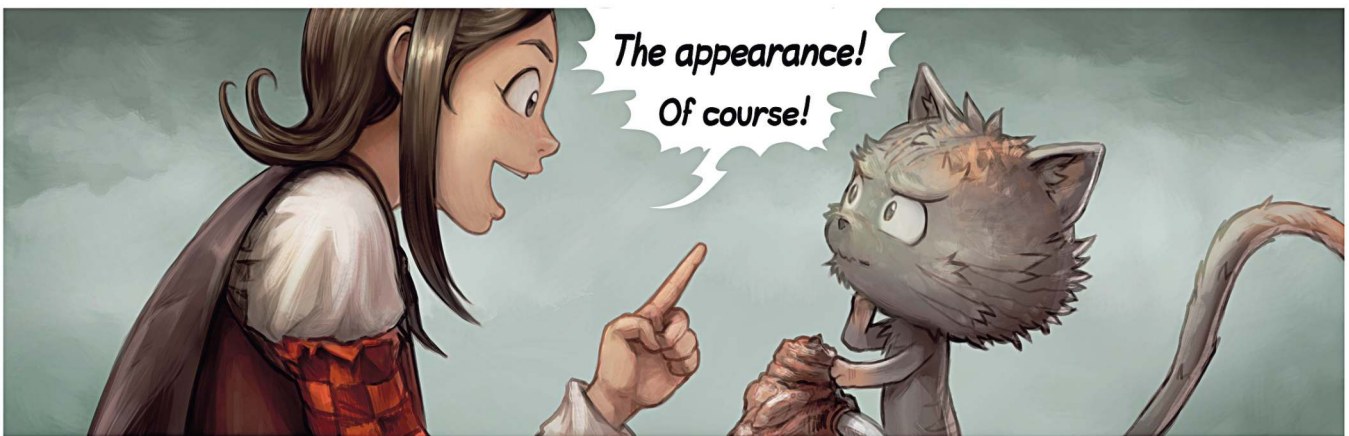

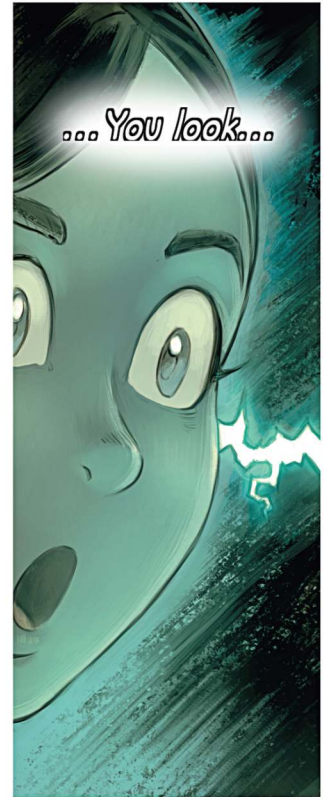

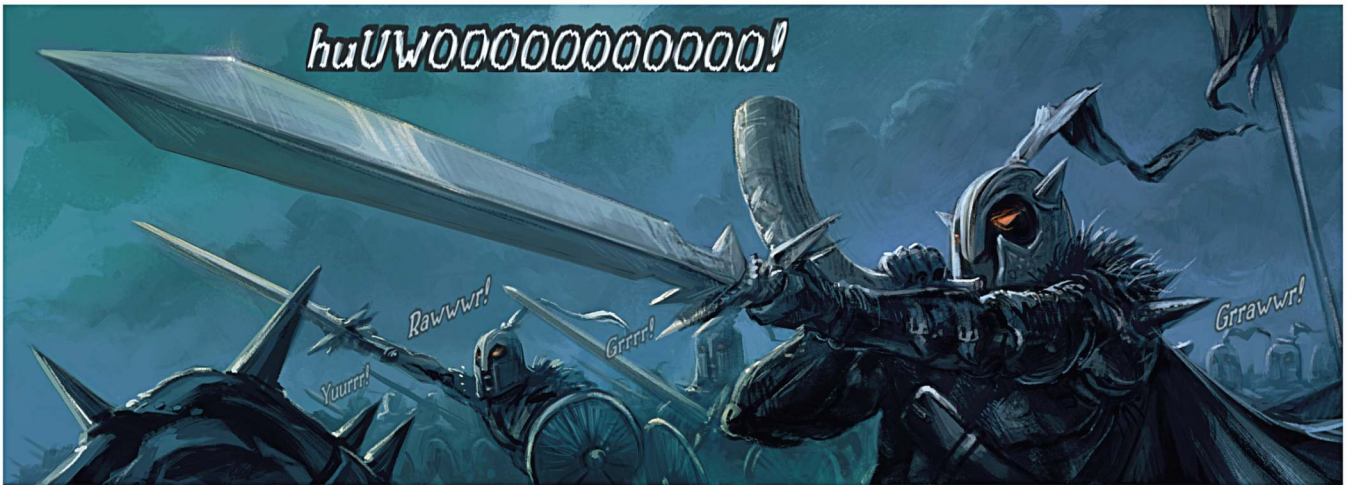

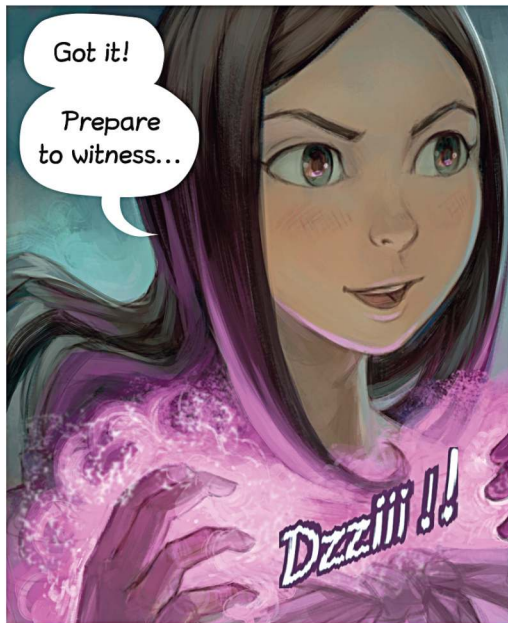

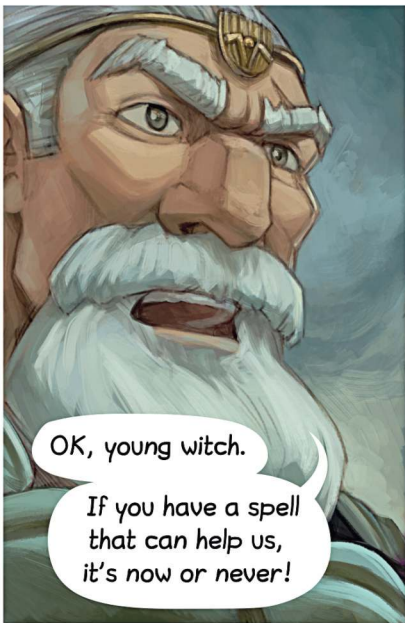

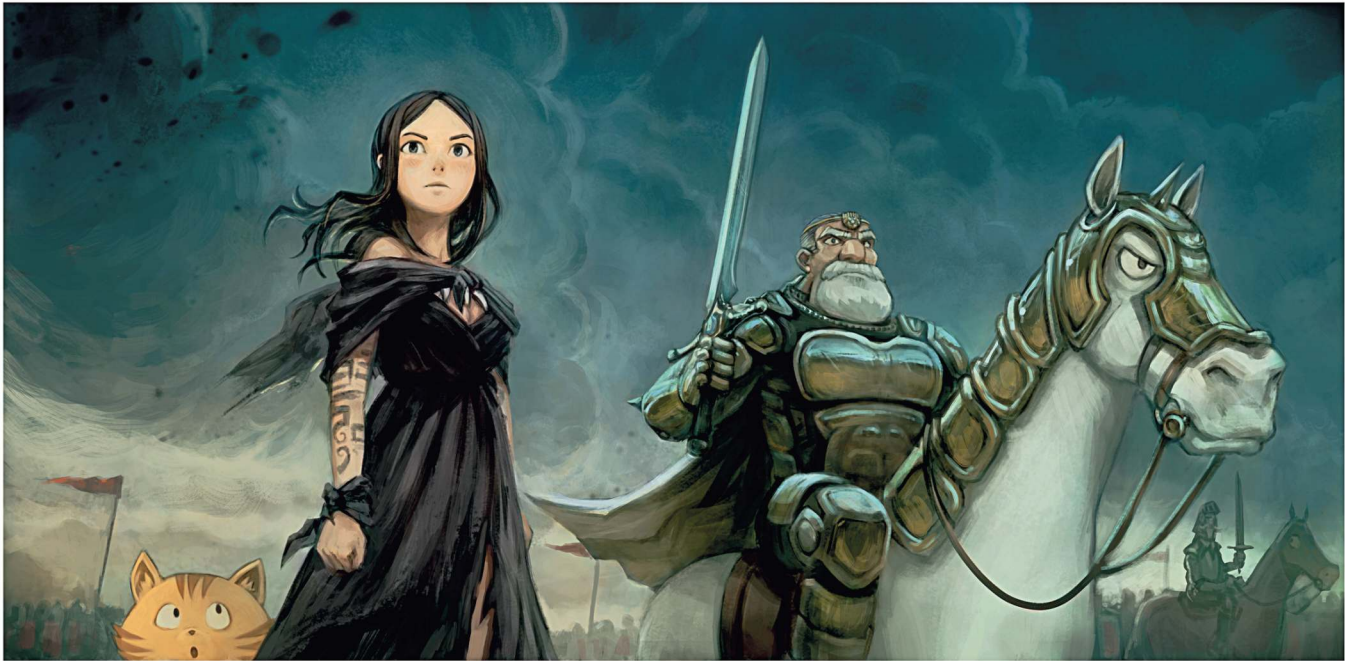

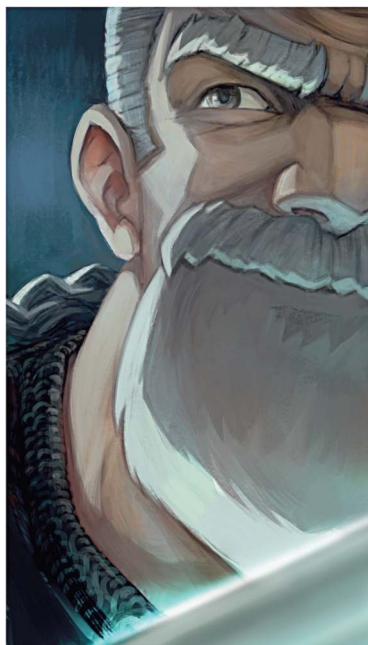

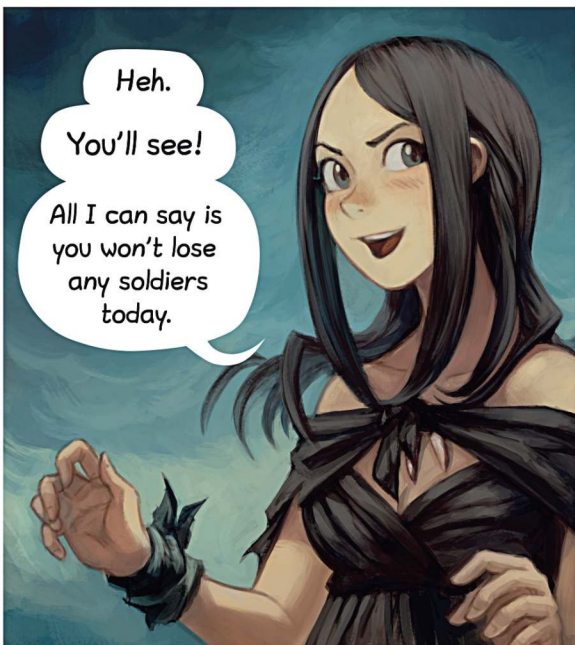

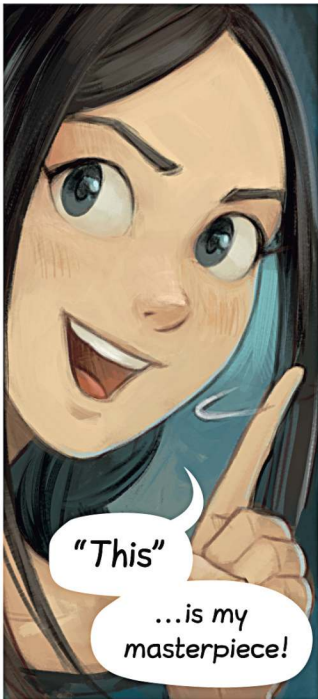

That same night...

...and so, tonight, we welcome you, Shichimi, as our youngest Knight of Ah.

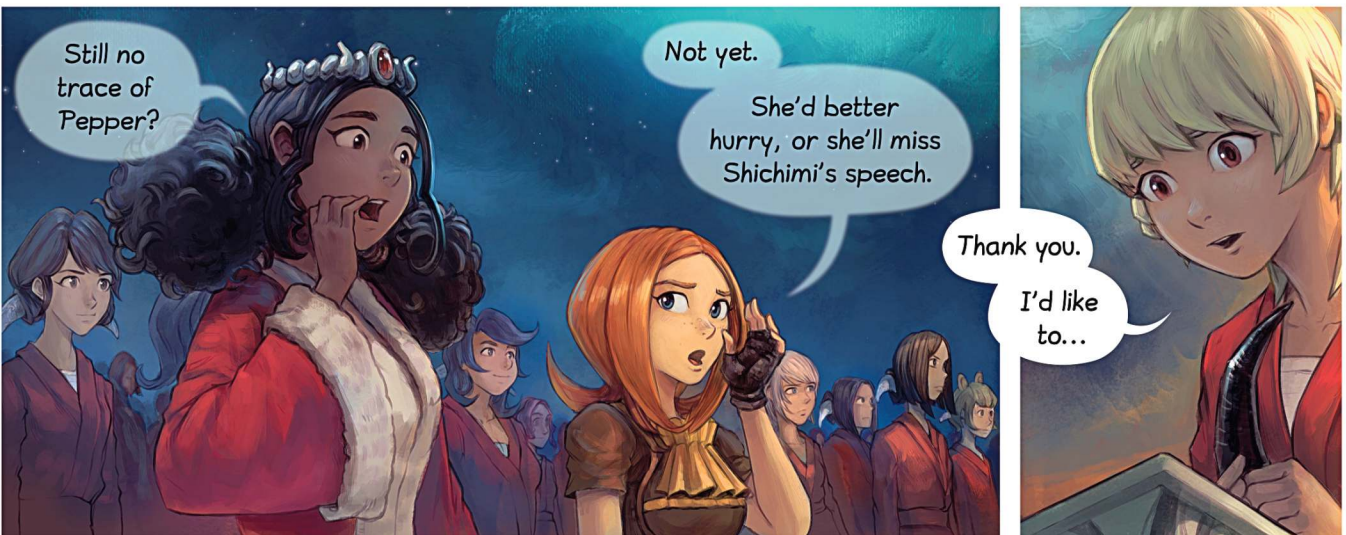

Still no trace of Pepper?

Not yet.

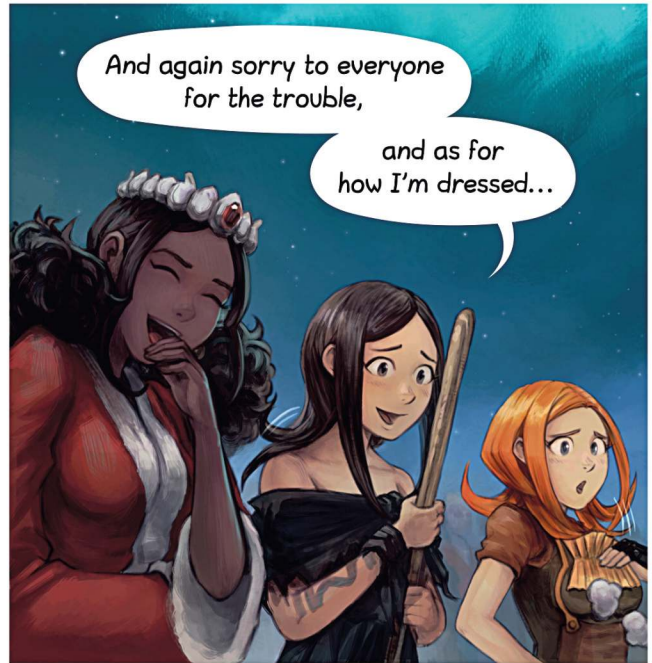

She'd better hurry, or she'll miss Shichimi's speech.

Thank you.

I'd like to...

Yes, your highness.

Her name is Pepper, of the School of Chaosah.

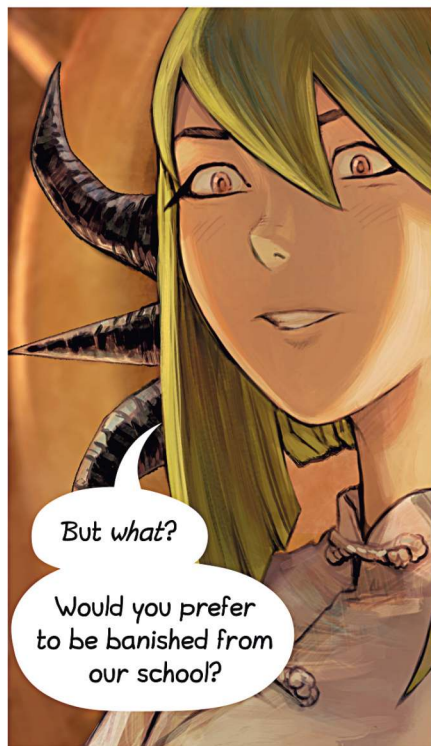

Her presence here pollutes the sacred nature of our school.

Get her out of my sight, immediately.

But...

Master Wasabi...

But what?

Would you prefer to be banished from our school?

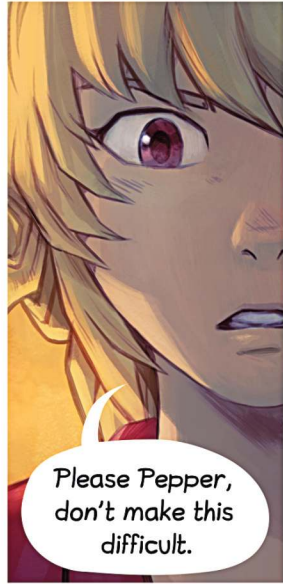

Sorry Pepper,
but you need to leave.

Now.

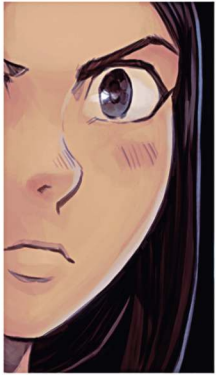

Huh?

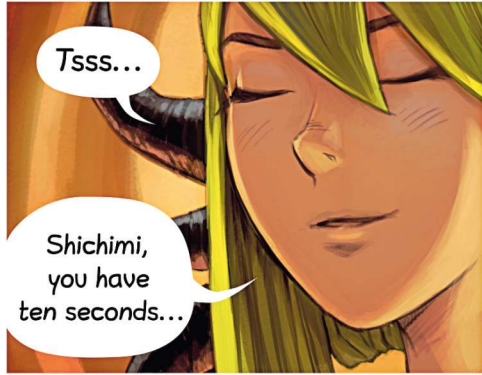

Hey hey hey,
wait a minute!
I'm sure there's a
misunderstanding.

Please Pepper,
don't make this
difficult.

Hey! You there, on
the throne. If you
have a problem with
me, come down and
tell me yourself!

Tsss...

Shichimi,
you have
ten seconds...

nine...
eight...
seven...

**ENOUGH,
PEPPER!
GO AWAY!!!**

SHRRRI!!!

Shichimi, please calm d...

BADUUM! GO AWAY!!!

GO AWAY!!!
GO AWAY!!!

CRASH!

Ouch!
Hey! That's... n-NOT... Owww... Nice!

PAF!
POF!
POF!

SHICHIMI! PEPPER! PLEASE STOP!

Wait.

Hmm!

Grrr!
OK, you asked for it!

BRZOO!!

CURSUS
CANCELLARE
MAXIMUS!!!

Ouch!

PAF!!

Even your best
cancellation
spell
has no effect
on me!

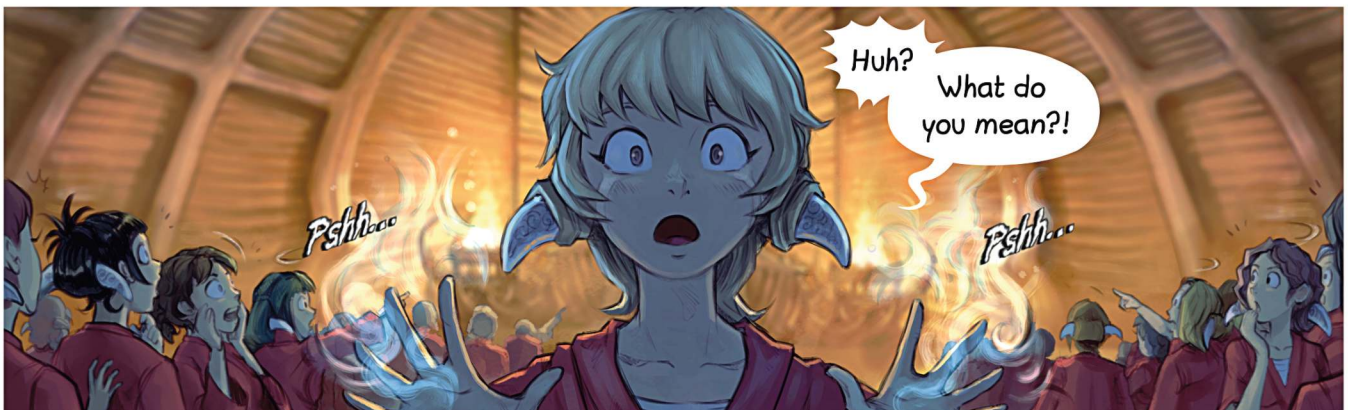

Give up, Pepper,
and go away!

Stop making
me hurt you!

Oh, my cancellation
spell worked just fine,
but you weren't
the target.

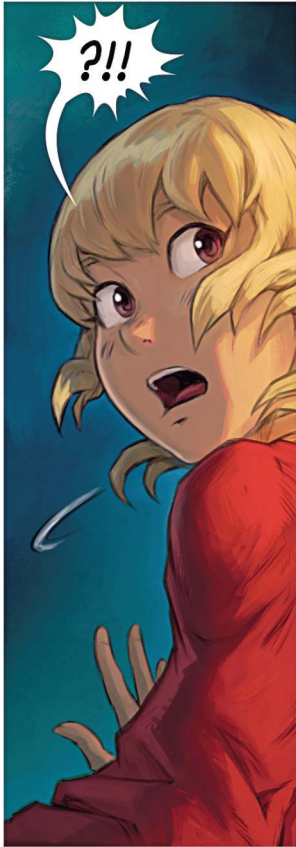

Huh?

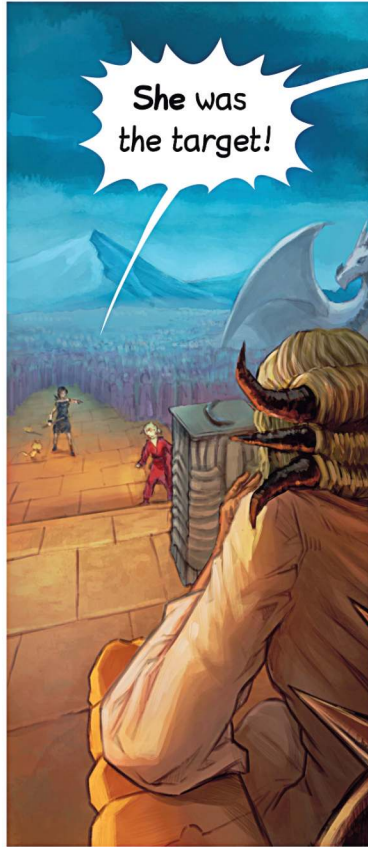

What do
you mean?!

Pshh...

Pshh...

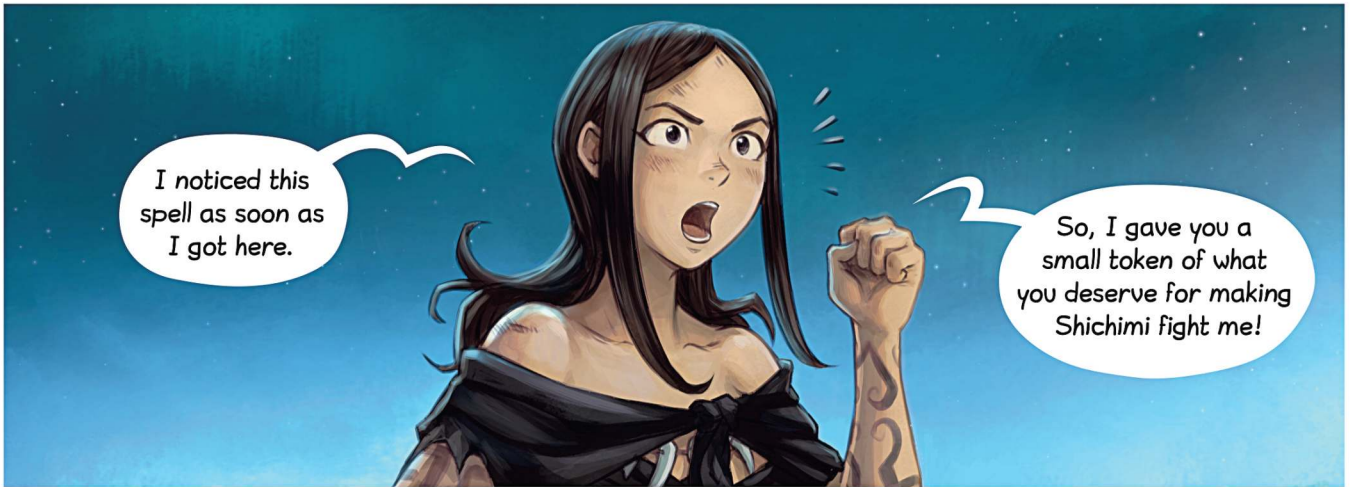

?!?

She was the target!

I just canceled her Glamour Spell which keeps her looking young.

I noticed this spell as soon as I got here.

So, I gave you a small token of what you deserve for making Shichimi fight me!

INSOLENCE!

How dare you, and in front of my whole school!

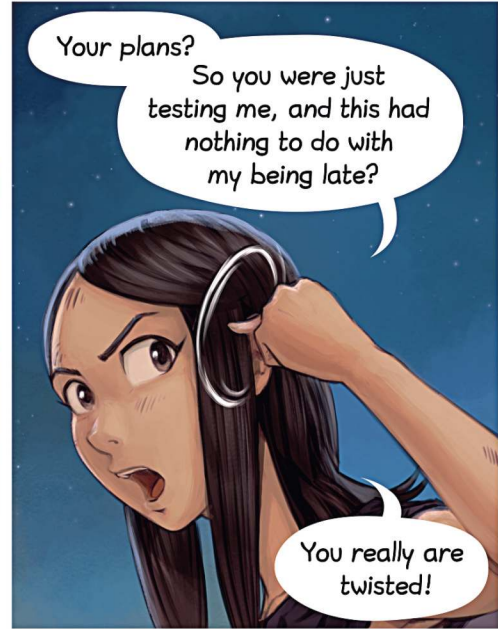

Consider yourself lucky!

If I had all of my Rea, I wouldn't have stopped there.

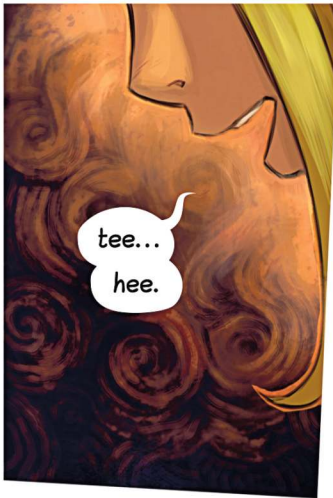

I see. You have reached the level of your predecessors much sooner than I anticipated...

This accelerates my plans, but that is good news.

Your plans? So you were just testing me, and this had nothing to do with my being late?

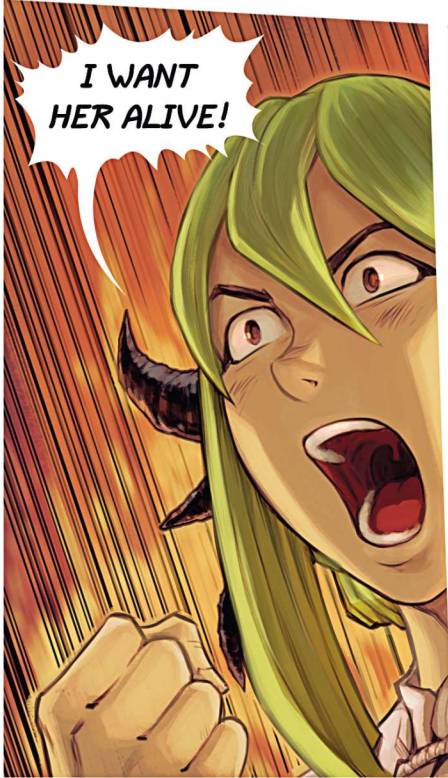

You really are twisted!

tee... hee.

WHAT ARE YOU ALL STARING AT?! I WAS JUST ATTACKED, AND YOU DO NOTHING BUT STAND THERE?! GET HER!!!

I WANT HER ALIVE!

GET HER!!!

Shichimi, we'll have to talk about this later!

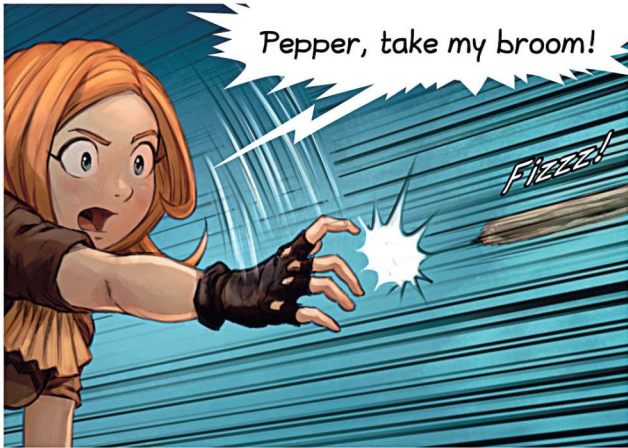

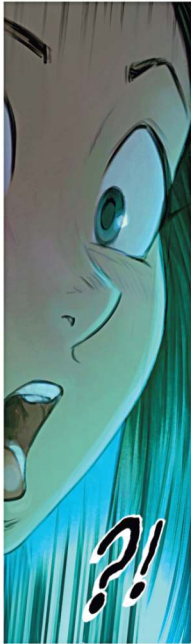

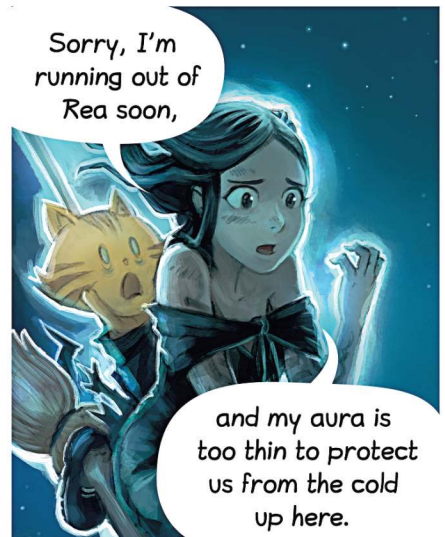

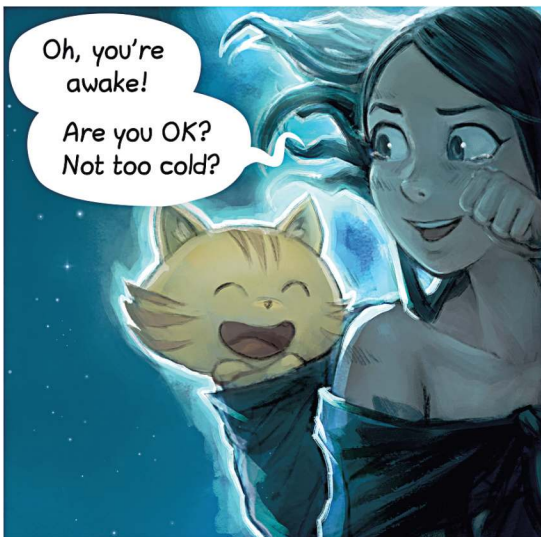

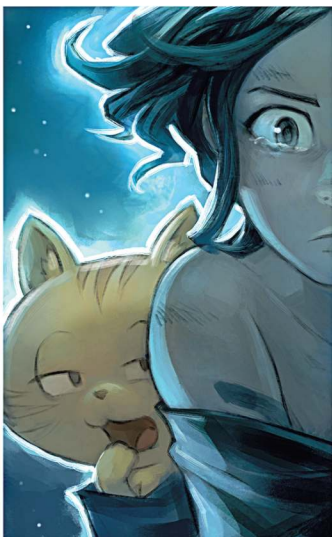

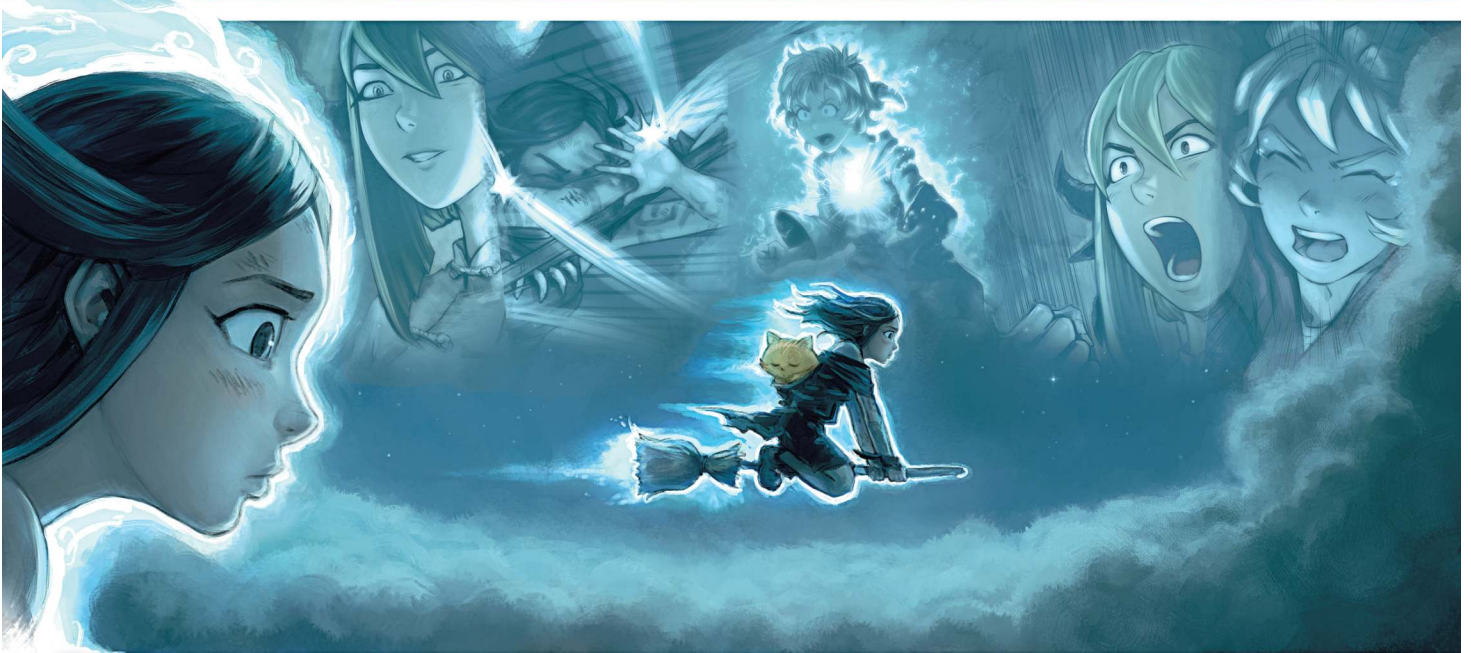

I'm sorry, Carrot, but we'll have to take off at hyperspeed again.

Hold on tight!

Tap! Tap!

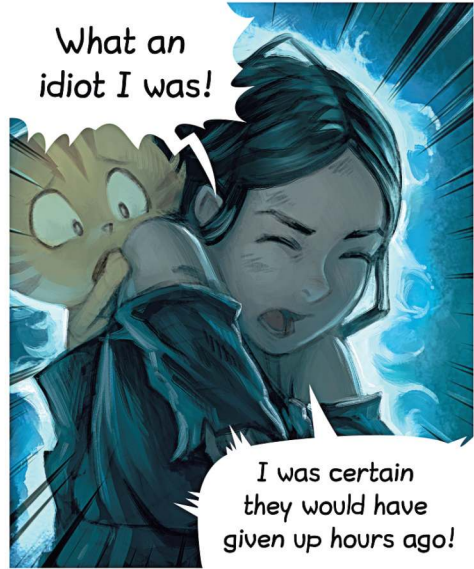

Ziiiooooo!!

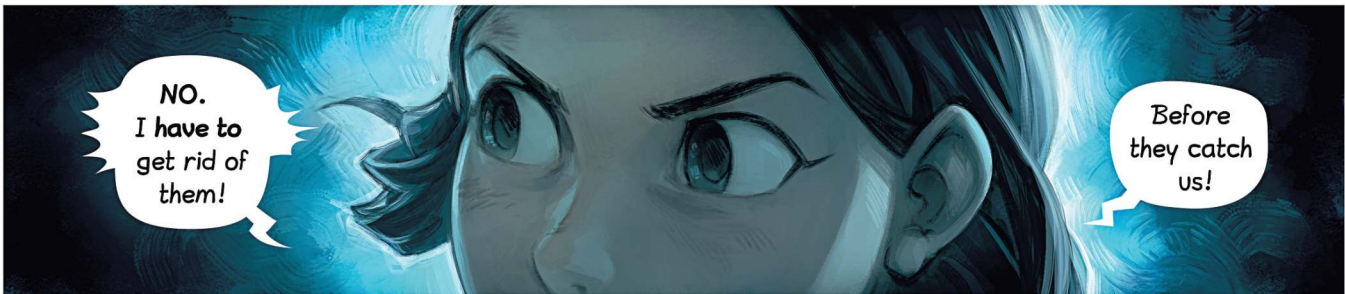

I'm about to lose my hyperspeed,
and this pilot and dragon have been keeping pace with us for hours.
They'll have no trouble catching us once we slow down.

What an idiot I was!
I was certain they would have given up hours ago!

If only I could get them off our tail.

NO. I have to get rid of them!

Before they catch us!

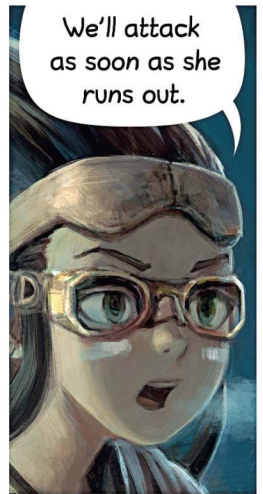

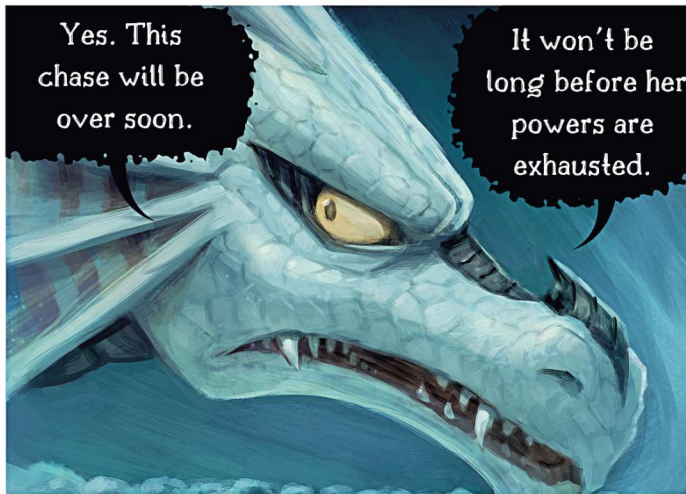

But I am also...
...very...

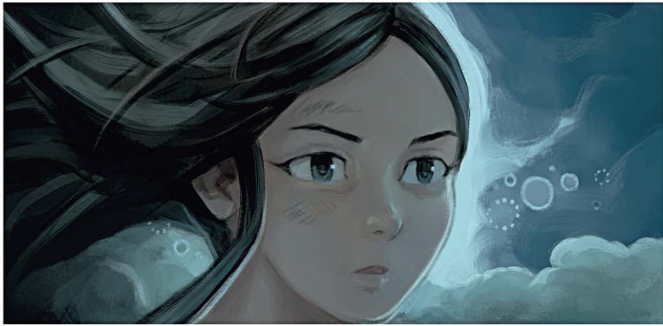

...tired...

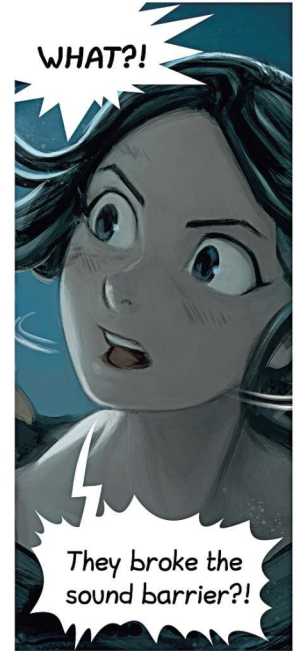

WHOOOPS!
Keep it together, Pepper!

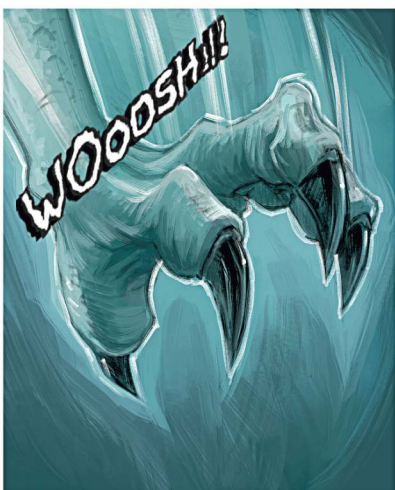

BOOM!

WHAT?!

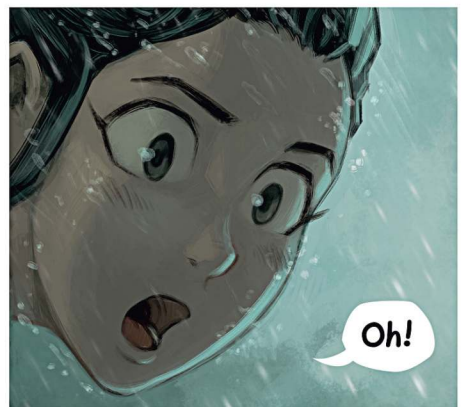

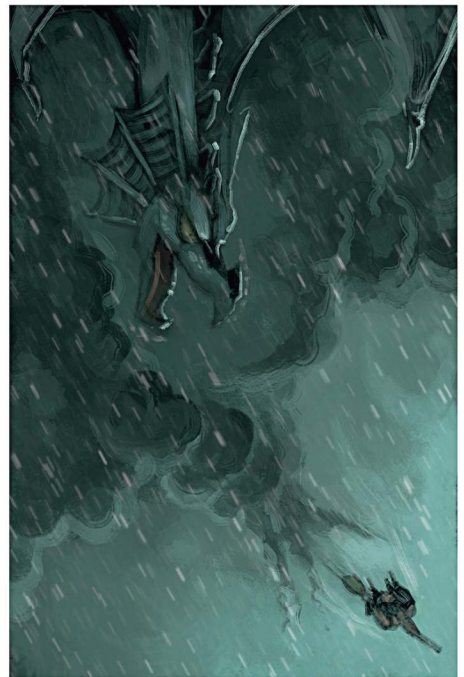

They broke the sound barrier?!

WOOSH!

Grrr!
Hang on,
Carrot!

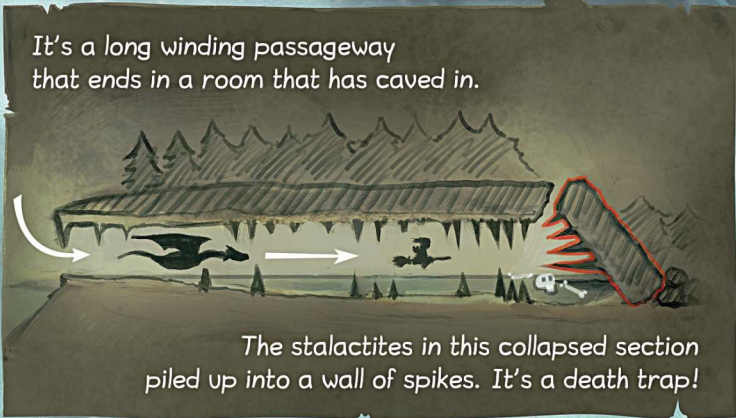

The cave
of the Lake
of the Horns!

Carrot, this is
our chance!

I know
this cave.

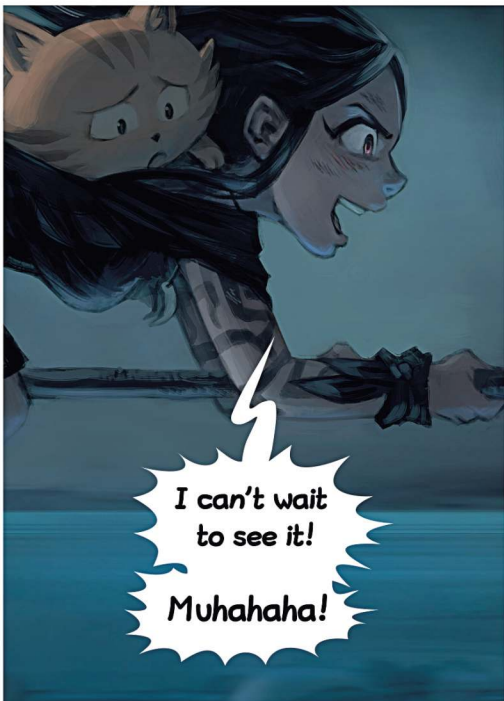

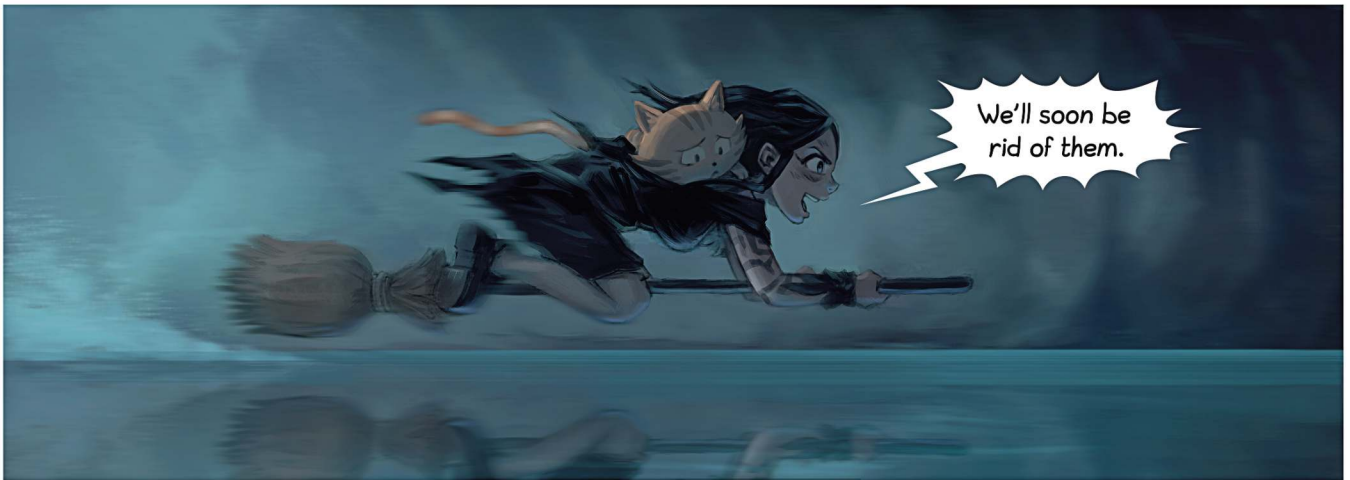

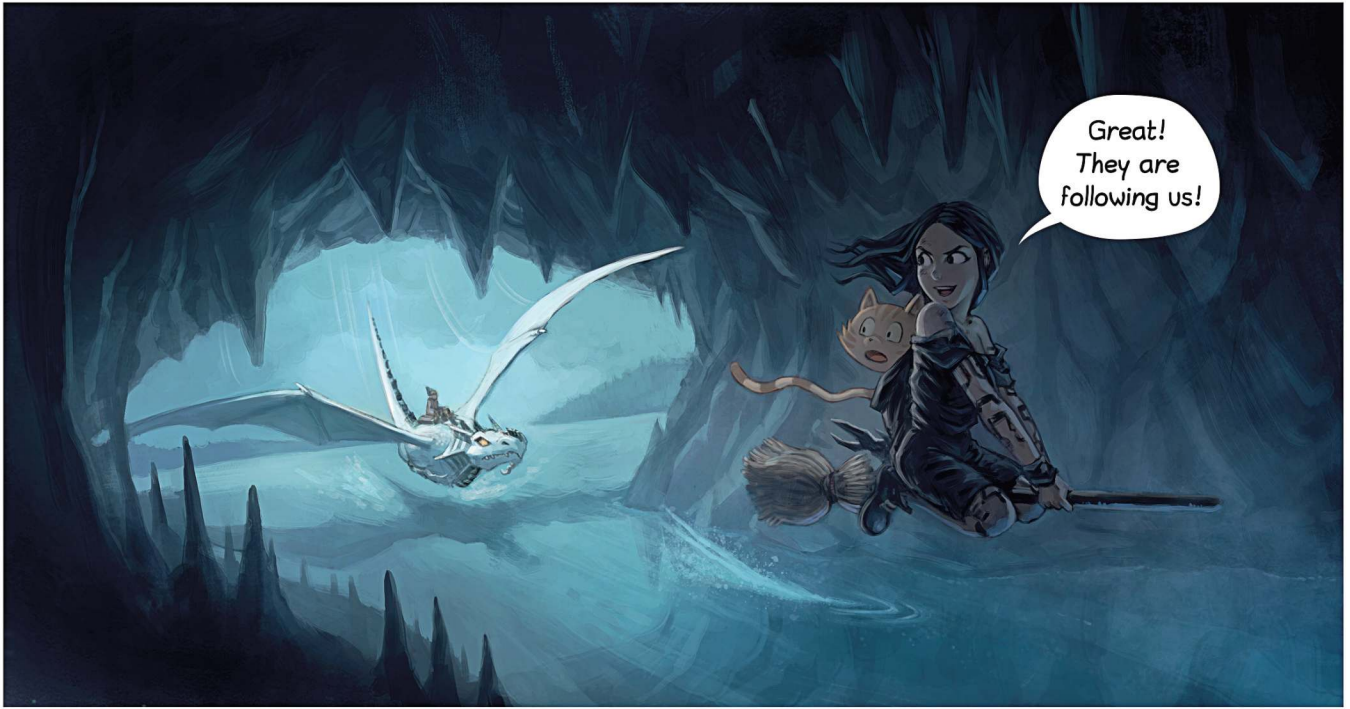

It's a long winding passageway
that ends in a room that has caved in.

The stalactites in this collapsed section
piled up into a wall of spikes. It's a death trap!

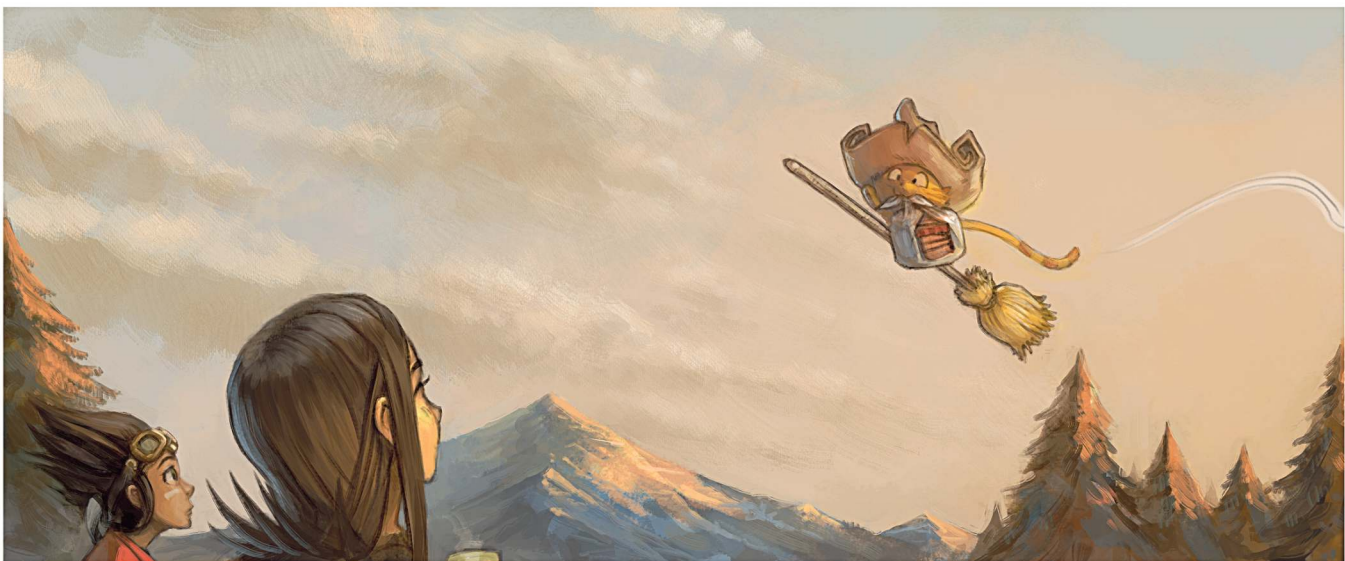

There's a small opening that's
just wide enough for us to
squeeze through,

but that dragon won't be able to pull up
in time and will hit the wall at full speed!
Muhahaha!

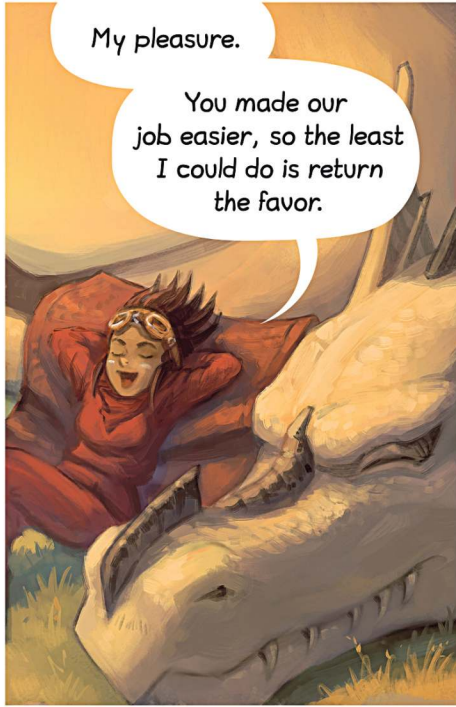

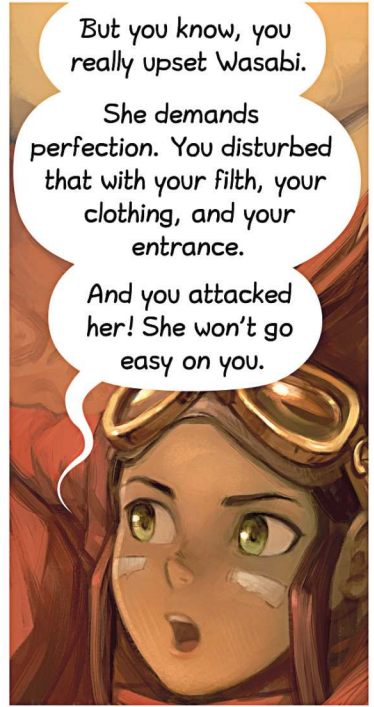

Thank you for allowing Carrot to bring me a fresh change of clothes.

My pleasure.

You made our job easier, so the least I could do is return the favor.

But you know, you really upset Wasabi.

She demands perfection. You disturbed that with your filth, your clothing, and your entrance.

And you attacked her! She won't go easy on you.

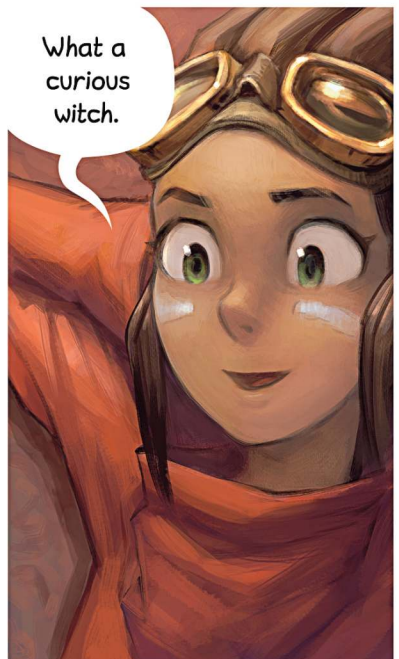

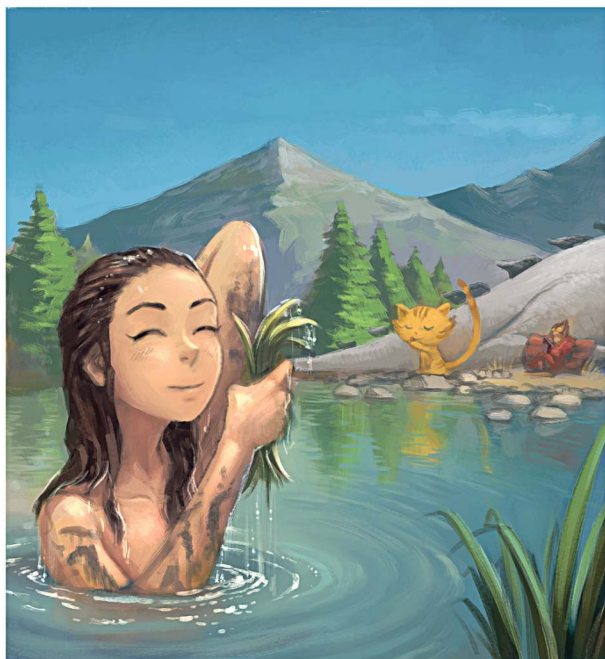

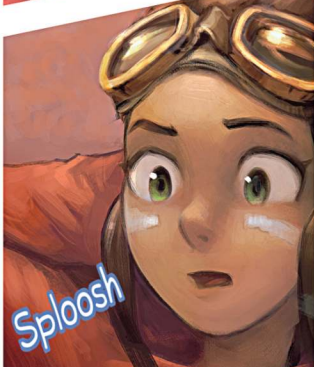

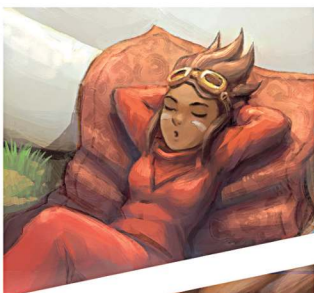

I know.

Anyway, I need to take a short nap.

We'll leave when I wake up.

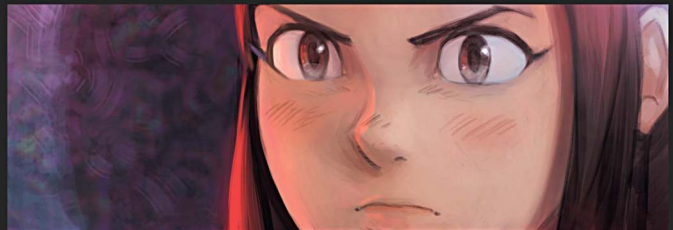

Do what you want as long as you don't go far...

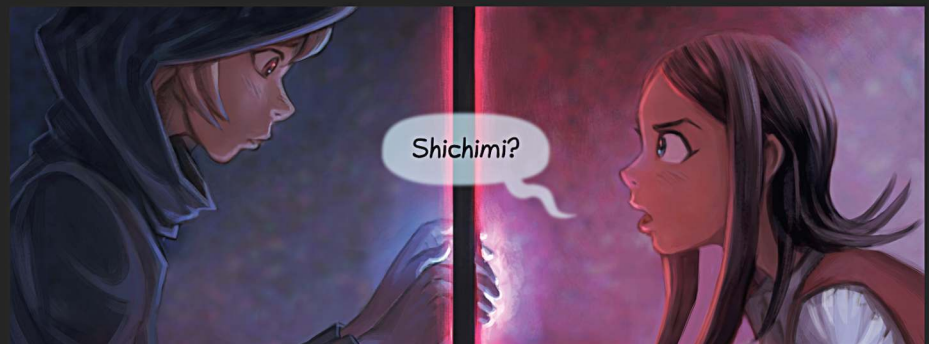

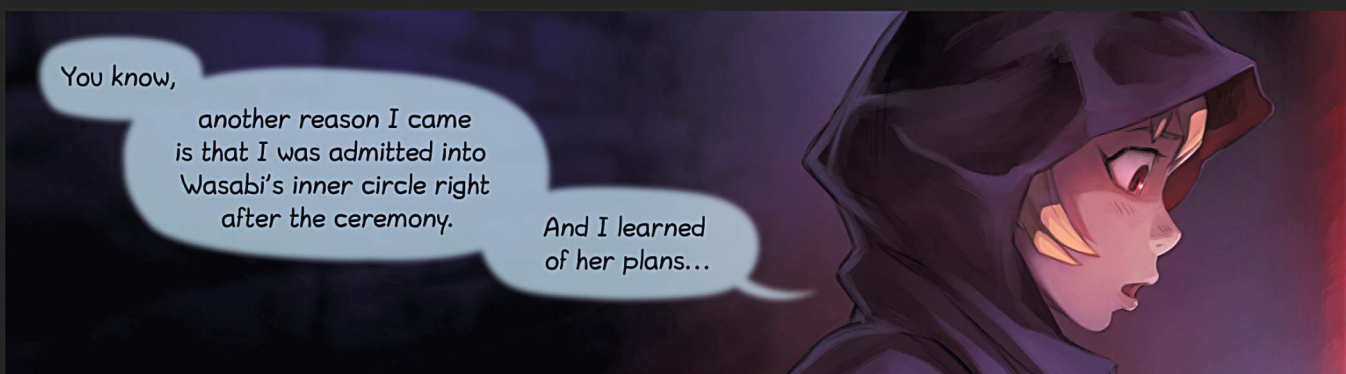

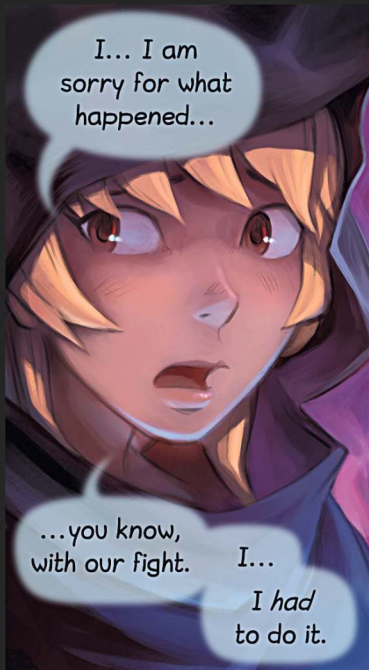

What a curious witch.

It's awful, Pepper.

Wasabi wants to **dominate** all other schools of magic, pure and simple...

She will leave at dawn with an army of witches for Qualicity...

Oh, no! **Coriander!** And her kingdom!

And Zombiah magic!

We must warn her at once!

A pilot and dragon await us on the platform, to get us out of here.

That's it, the lock finally gave way!

Bravo! I'll get Carrot and my hat.

Ching!

squeak!

CLANG!

CLANG!

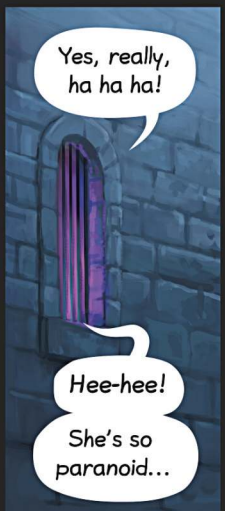

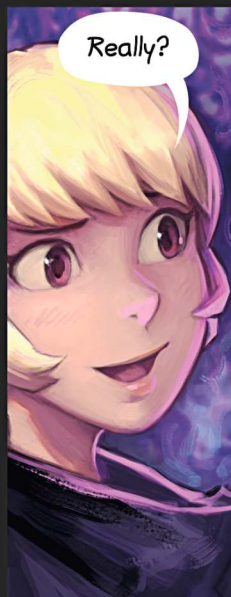

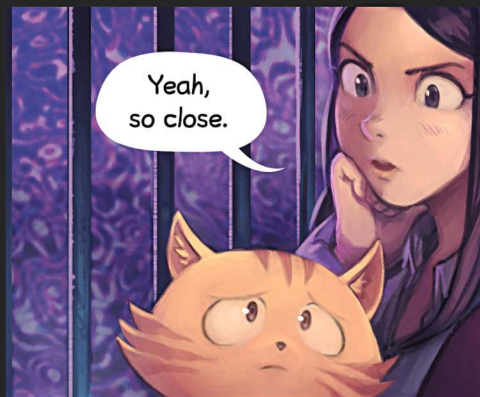

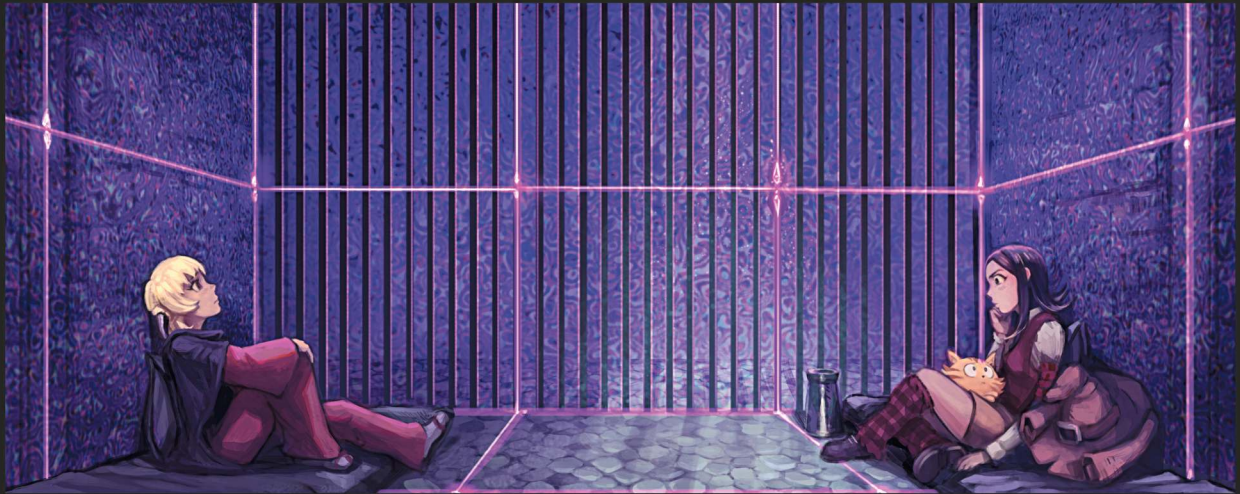

squeeee!

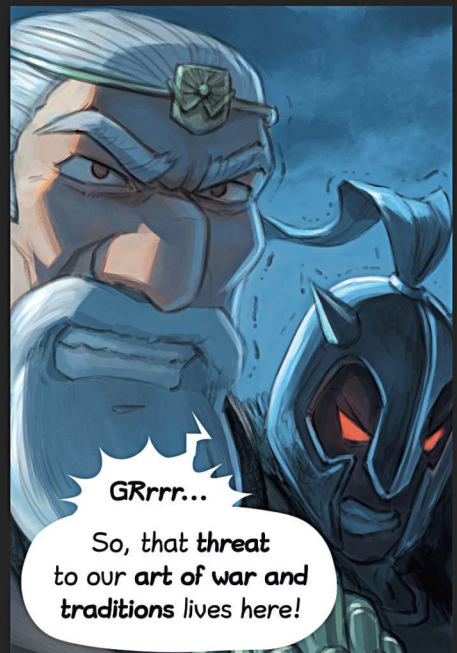

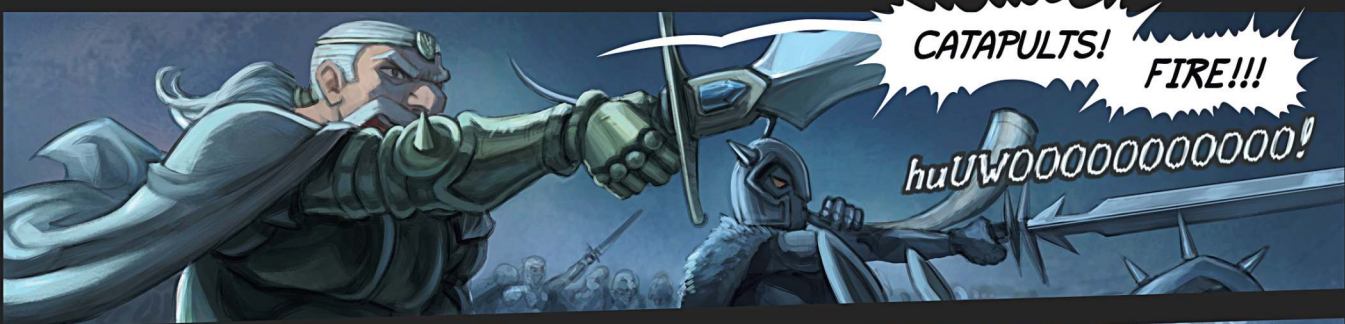

GUARD!
COME HERE!

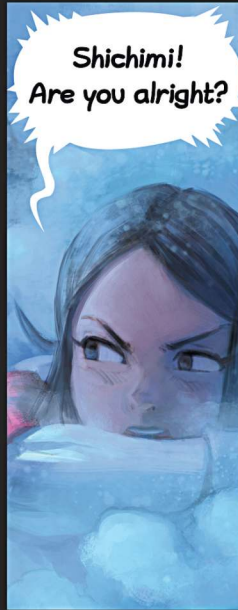

AN INTRUDER IS FREEING THE PRISONER!

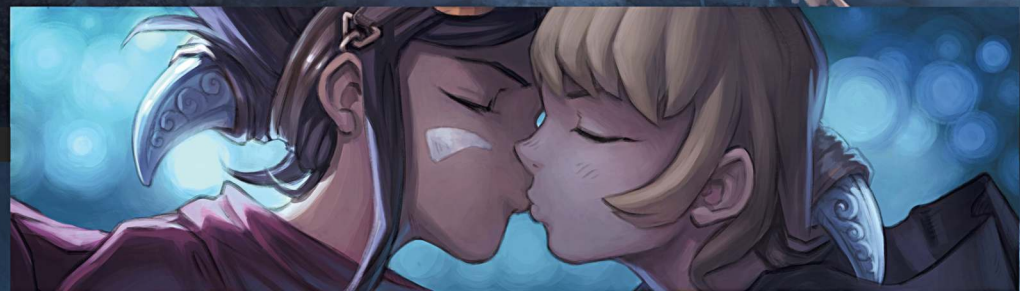

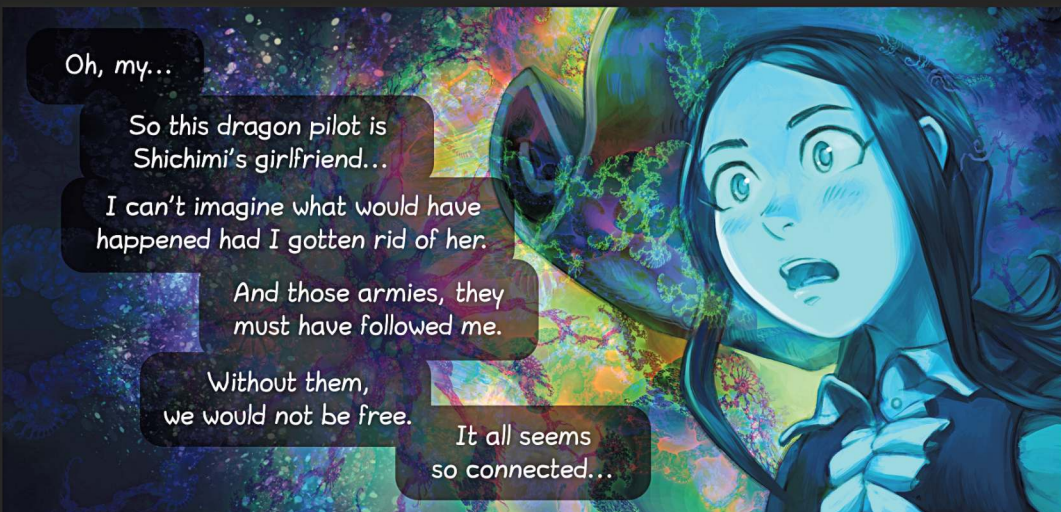

Shichimi!
Spirits be praised, you are safe and sound.

Grab

I was so worried when I heard that they had imprisoned you!
And this battle!
What chaos!

Torreyya, it's so good to see you.

Oh, my...
So this dragon pilot is Shichimi's girlfriend...
I can't imagine what would have happened had I gotten rid of her.
And those armies, they must have followed me.
Without them, we would not be free.
It all seems so connected...

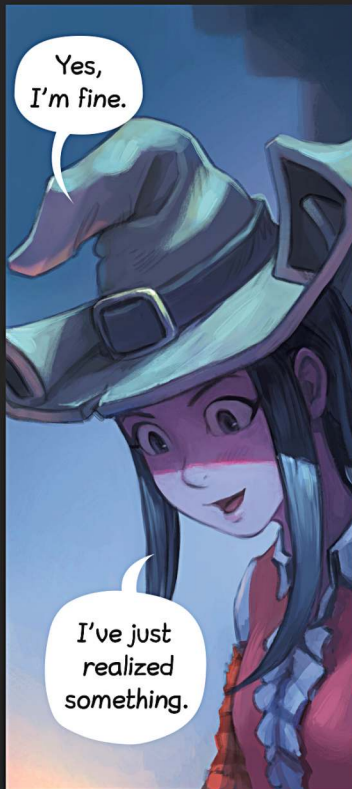

...OH!

What's up with her?

Pepper?
Is everything okay?

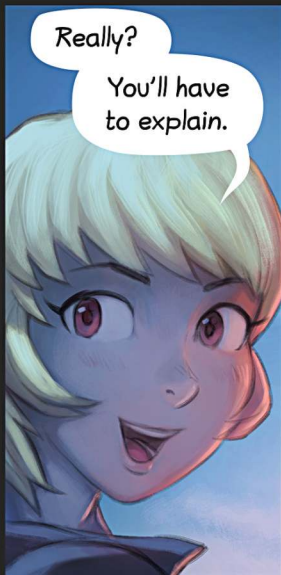

Yes,
I'm fine.

I've just realized something.

Everything that's happened is, directly or indirectly, the result of my actions, my choices...

...in other words, **my chain reaction!**

Really?

You'll have to explain.

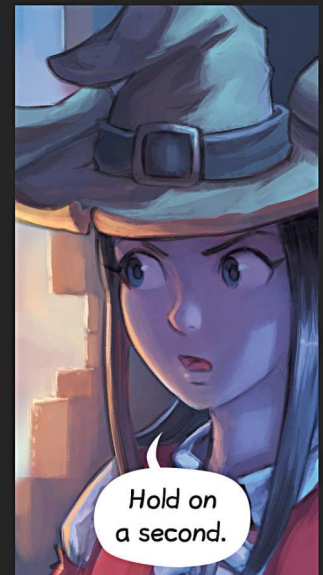

Enough chat, we're in the middle of a battlefield.

We can talk about it once we're flying.

Hop on, Pepper!

Torrey is right.

We need to get to Qualicity, no matter what.

Hold on a second.

Wasabi's army is about to counter-attack.

We can't let them kill each other like that.

I feel that it's my responsibility to end this battle.

But how?

Yes, how do you plan to do that, witch?
You haven't recovered much Rea, I can feel it.

You're absolutely right, but there is a spell of mine that could fix everything.

I just need your Rea to be able to reach everyone.

Give energy to a witch?
It's forbidden!
Most certainly not!

Would you rather watch a carnage unfold?

Please, Arra. Make an exception. Those girls and dragons fighting, that's our school, our family.

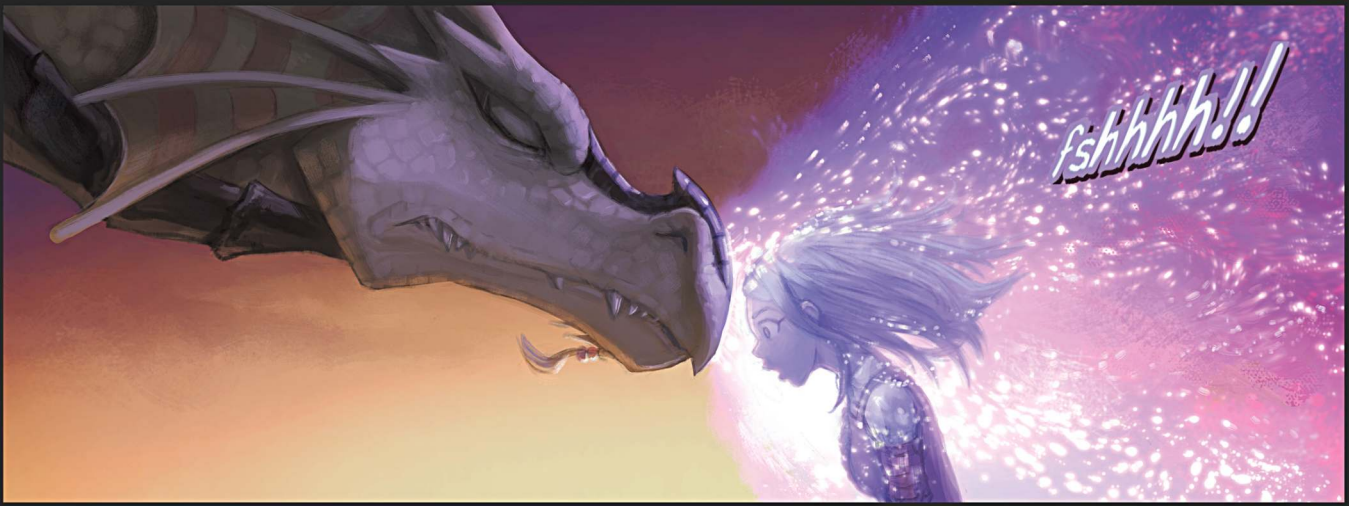

And yours too.

Yes, please, Arra.

PFF! Fine!
But at her own risk!

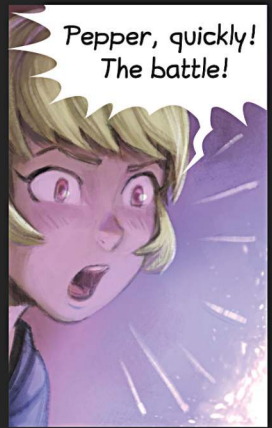

fshhhhh!!

WOAAAH!

So that's what a dragon's Rea is like!

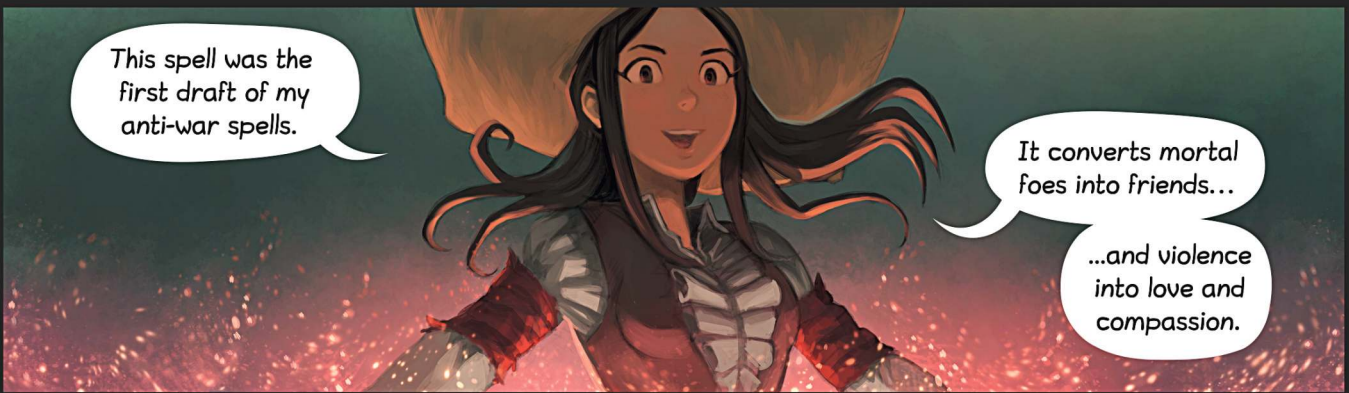

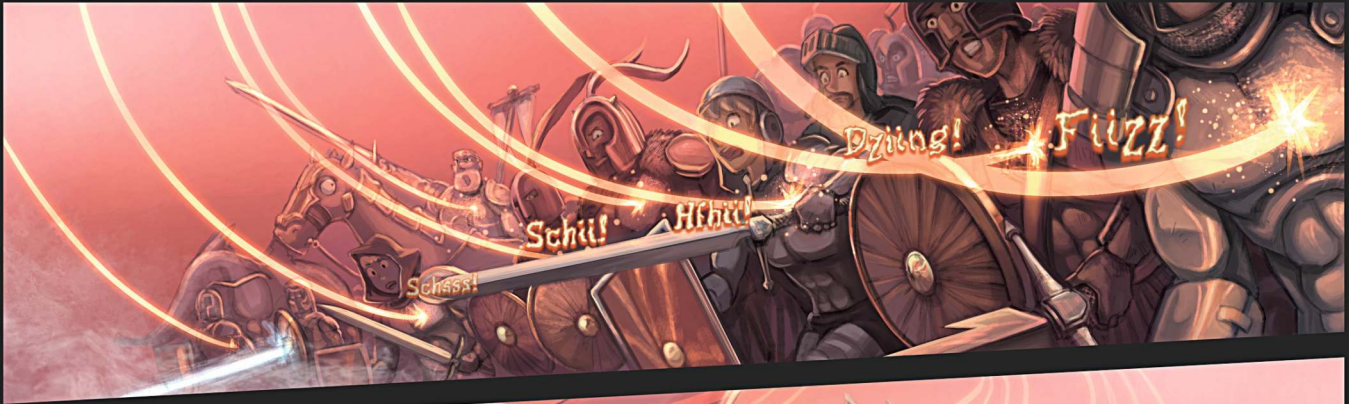

Pepper, quickly!
The battle!

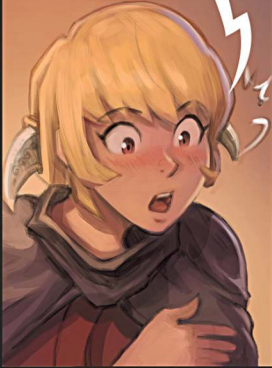

Allus...!
Yuus...!
Needum...!
Est...
...LOVIUS!

Dzzl000!!

But what's going on?
Some of them are kissing...?!

Uh... That's a lot of new couples!

Was that meant to happen, Pepper?

Oh, no!
I think it was the Dragon's Rea that amplified the love in my spell.

Haha, this battle will go straight into the history books.

Hee-hee, definitely!

Ooohhh, how embarrassing!
